## OVERVIEW

---

The 2026 Galeon 500 FLY is a study in refined comfort and contemporary naval architecture, powered by twin Volvo Penta D11 670 HP diesels for assured performance and crisp responsiveness. Thoughtfully conceived Beach Mode terraces fold outward to create a seamless connection with the sea, while a hydraulic tender bay provides effortless launching and storage for your tender. Onboard comfort is enhanced by the Seakeeper 6 gyro stabilizer, and navigation is entrusted to advanced Raymarine electronics. Throughout, expansive and exquisitely crafted social spaces create an inviting atmosphere for entertaining or quiet relaxation, making this flybridge motor yacht an ideal setting for unforgettable days on the water.

# DETAILED DESCRIPTION

---

## 2026 Galeon 500 Fly

---

The 2026 Galeon 500 Fly presents a masterclass in versatility and refined comfort, driven by twin Volvo Penta D11 engines producing 670 HP each to deliver assured performance whether cruising close to shore or embarking on longer passages. Signature to the model is the Beach Mode package with fold-down side balconies that convert the cockpit into an expansive alfresco lounge; this yacht elevates that experience with a hydraulic tender garage outfitted with a rotating aft seat, an additional grill and a practical storage tub, while a hydraulic swim platform rated to a 1,323-pound capacity and dedicated swim-platform tender chocks simplify launching and retrieval of toys.

Underwater LED illumination beneath the transom and along the side wings creates a striking nighttime presence at anchor, and the full exterior cover package plus an integrated Cablemaster attend to everyday convenience and neat aft-deck management.

A laminated flybridge hardtop capped by a fixed black carbon roof affords protection and shade without compromising the yacht's sleek, contemporary silhouette, and the upper deck is arranged for effortless entertaining with an electric grill, an ice maker and a drawer refrigerator complemented by ample seating and panoramic sightlines from the raised helm. Navigation and vessel control are led by dual Raymarine Axiom XL 16 displays at the main helm, supplemented by Raymarine Axiom 12 Pro S units with integrated CHIRP sonar, an upgraded Cyclone four-foot open-array radar, Raymarine autopilot and a Ray91 VHF with AIS. Onboard systems further enhance comfort and handling with a Seakeeper 6 gyroscopic stabilizer, electric bow and stern thrusters and the comprehensive Full Control Package for confident close-quarters maneuvering.

Interior appointments are crafted to a high standard, with Dark American Walnut high-gloss cabinetry lending warmth and sophistication throughout, while luxury vinyl plank flooring in the salon and galley and fitted carpeting in the living areas add both style and comfort underfoot. The galley benefits from an upgraded four-burner Kenyon cooktop, and the yacht's entertainment ensemble comprises an electric 43-inch salon television with Blu-ray and a G3 speakerless salon audio and soundbar system, a 32-inch television in the master stateroom and a 24-inch television in the forward stateroom. Practical luxuries such as a washer and dryer tucked in the master-cabin corridor and a luxury fitted sheet set complete the onboard lifestyle package.

Blending sophisticated accommodations, advanced navigation and systems, and expansive outdoor living options, the 2026 Galeon 500 Fly is equipped and appointed to provide an exceptional ownership experience.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
