DETAILED DESCRIPTION

Section name

This impeccably preserved Sundancer 500, driven by Twin Cummins 550 engines with Zeus Pods and Joystick, is now on the market, boasting just 592 hours of use. The owner has invested considerable effort and resources to maintain this yacht in prime condition, ensuring it stands out among others. Significant upgrades and meticulous services have been performed, such as the installation of new heat exchangers and aftercoolers in 2020. The engines are flushed with fresh water after each use, preserving their excellent condition. At the helm, Raymarine E127 units are paired with a VesselView 703, offering sophisticated navigation and monitoring features.

The entertainment system has been greatly upgraded with a Fusion stereo system, including multiple amplifiers, speakers, and three remotes, all enhanced in 2022. The full teak cockpit adds a layer of sophistication, complemented by new cockpit seating cushions planned for 2024, along with canvas and bowpads refreshed in 2020. The galley is equipped with an upgraded stainless steel Vitrifrigo refrigerator, installed in 2022, combining style with practicality. All lighting on the yacht has been switched to LED, boosting energy efficiency and ambiance.

A new TV for the cockpit is set for installation in the summer of 2024, further elevating the onboard entertainment. The waste management system has been revamped with all waste hoses replaced in 2020, and it features a true dry bilge for optimal upkeep. The engines and pods have been regularly serviced by both the knowledgeable owner and a certified Zeus mechanic. Recent maintenance includes the replacement of shaft seals in 2023, with aftercoolers cleaned and raw water hoses replaced in spring 2025. Fresh bottom paint and PropSpeed on the props were also applied in spring 2025.

Enhancing the vessel's adaptability, the hydraulic swim platform comes with removable tender chocks, making it perfect for a variety of water activities. If you are in the market for a 500 Sundancer, this is the one you must see!

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
