OVERVIEW

Board the 2016 Azimut 50 Flybridge and indulge in a refined union of elegance, performance, and Italian artistry. Crafted by the renowned Azimut Yachts, this sleek motor yacht marries classic styling with contemporary systems to deliver the elevated comfort and sporty demeanour expected of a top-tier flybridge cruiser. Measuring 52'6" overall with a 15'3" beam, she is driven by twin Volvo D11-670 engines that yield a comfortable 26-knot cruise and a spirited 32-knot top speed. Thoughtfully configured as a versatile family cruiser and bluewater-capable yacht, she accommodates up to 6 guests across 3 cabins and 2 heads, offering luminous interiors, inviting social areas and an airy, convivial flybridge. Recent servicing has been completed on both engines, the air-conditioning systems and the generator, and the yacht is fully maintained and in excellent working order. TENDER NOT INCLUDED.

DETAILED DESCRIPTION

Description

Step aboard the 2016 Azimut 50 Flybridge and experience the quintessence of Italian elegance, performance, and luxury as every line and cabin experience has been designed to delight. Crafted by Azimut Yachts, this beautifully proportioned 50-foot flybridge yacht pairs timeless styling with contemporary innovation, presenting confident dimensions — an overall length of 52'6" and a beam of 15'3" — that create generous volume throughout her social decks and private spaces. Powered by twin Volvo D11-670 engines, she produces a spirited cruising speed of 26 knots with a top speed of 32 knots, delivering effortless acceleration and assured handling whether you are making a quick hop or an extended passage. Accommodating up to 6 guests across 3 cabins and two heads, she balances convivial entertaining areas with intimate private quarters for unhurried, comfortable passages. Meticulously maintained and recently serviced, both engines, the air conditioning systems, and the generator have been attended to and are presented in excellent operating condition. Note: tender not included.

Other details

Thoughtfully arranged accommodations welcome up to 6 passengers with a tri-cabin layout and two well-appointed heads, offering two double berths complemented by an additional bunk bed that makes the arrangement ideal for family cruising or hosting close friends. A separate crew cabin with its own head enhances privacy and service on longer passages, keeping operations smooth and unobtrusive. Practical tankage supports versatile cruising: a fuel capacity of 581 gallons pairs with a fresh water capacity of 156 gallons, while black water and grey water tanks of 175 liters each keep systems clean and

efficient. Onboard amenities elevate every mile with a 20 kW NorthernLights generator supplying robust, reliable power, a Seakeeper stabilizer that tempers roll for exceptional comfort at anchor and underway, intuitive joystick control and a bow thruster to simplify close-quarters maneuvers, and a hydraulic swim platform that transforms the stern into a waterfront terrace for effortless water access and tender handling. The details of this vessel are offered in good faith but without guarantee or warranty as to accuracy or condition; prospective buyers are advised to instruct their agents or surveyors to verify particulars to their satisfaction. This vessel is offered subject to prior sale, price change, or withdrawal without notice.

Propulsion

Power is provided by a proven twin installation of Volvo Penta D-11 inboard diesels, each delivering 670 hp for authoritative acceleration and efficient cruising. With approximately 1700 engine hours recorded per side, this propulsion package reflects conscientious use and ongoing maintenance, running cleanly on diesel to inspire confidence both offshore and inshore.

Specifications

She settles into an effortless rhythm at 20 kn and can reach 26 kn when asked, with dimensions that balance presence and agility: length overall 50 ft, maximum draft 4.92 ft, and beam 15.58 ft. The hull is crafted in fiberglass for a refined blend of strength, efficiency, and a quiet ride. Capacity is thoughtfully apportioned with one fresh water tank of 156 gal, two fuel tanks of 618 gal each, and a holding tank of 59 gal, while accommodations include three guest cabins to welcome family and friends aboard in comfort.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
