OVERVIEW

2016 Azimut 50 Flybridge — Italian artistry in refined performance

Step aboard the 2016 Azimut 50 Flybridge and feel Italian shipbuilding finesse married to contemporary comfort and vigor. Crafted by Azimut Yachts, this elegant flybridge model measures 52'6" overall with a generous 15'3" beam, its sleek profile concealing modern systems and luxurious finishes. Twin Volvo D11-670 engines give her a comfortable cruise of 26 knots and a top end of 32 knots, while accommodations for up to 6 guests are arranged across 3 sumptuous cabins and 2 well-appointed bathrooms for relaxed overnighting. Recent attention to mechanical integrity includes meticulous servicing of both engines, the air conditioning systems, and the generator, all now in pristine condition. Available in the current boat location, this Azimut presents a rare chance to own a vessel that unites sophisticated design with spirited performance.
