OVERVIEW

EMERALD is an immaculate 2023 Absolute 50 Fly, superbly appointed and cared for with exacting attention. This outstanding example carries the sought-after Premium Package and a Seakeeper 6 gyro for rock-steady comfort at anchor, a composite hardtop with an opening sunroof that frames the sky, a hydraulic swim platform finished in full teak decking, and a bow thruster for effortless close-quarters handling. A versatile fourth aft cabin with its own private head and shower and direct access from the transom provides flexible accommodation—perfect for crew, children, or extra guests—making her a distinguished luxury motor yacht and flybridge cruiser with the equipment list discriminating buyers expect.

The newest-generation Absolute 50 Fly is a masterclass in maximizing volume and daylight, delivering big-boat refinement in a compact, owner-operated footprint. Expansive, pillar-free hull glazing bathes the airy salon in natural light and presents uninterrupted views, while the generous flybridge becomes an ideal platform for relaxed entertaining or sun-soaked lounging beneath the shelter of the hardtop. As a Motor Yacht and Family Cruiser her layout reads purposeful, elegant, and eminently social.

Set up for effortless voyages, EMERALD includes practical and indulgent upgrades such as Starlink for dependable global connectivity, eight underwater lights that illuminate the sea at dusk, and a combination washer-dryer for genuine onboard convenience—equally at ease as a Coastal Cruiser, weekend retreat, or capable Liveaboard.

Professionally maintained since launch, with comprehensive service records available on request, she is a true turnkey offering—ready for extended cruising in style as a Flybridge Motor Yacht for her next owner-operator.

DETAILED DESCRIPTION

Key features & options

Equipped for poise and performance, this yacht features a Seakeeper 6 gyro stabilizer and twin Volvo Penta D6-IPS650 engines with joystick maneuvering and DPS, complemented by a bow thruster for confident close-quarters control. A fiberglass hardtop with an electric sliding hatch shelters the decks, while a hydraulic swim platform with a solid teak floor invites effortless water access. The thoughtful layout includes a fourth aft cabin/crew quarters with a private head, shower, and direct transom door access. Tropical 60,000 BTU air conditioning keeps the interior perfectly tempered, with a dedicated unit serving the fourth cabin. An upgraded Garmin electronics package delivers dual 16-inch lower-helm displays, a 16-inch flybridge display, open-array radar, AIS 800, and autopilot. At night, eight underwater lights set the scene, while a premium Fusion audio system with subwoofer and multi-zone speakers elevates every moment. Stay connected via the Starlink high-speed internet system, handle longer journeys with a washer/dryer combo, and keep a watchful eye through engine room and cockpit cameras.

Salon & galley

Sunlight floods a spacious salon through expansive pillarless side windows with smoked glass, delivering sweeping panoramic views. A luxurious dove grey leather sofa with a matching ottoman anchors the space, while an electric privacy curtain at the windshield offers instant seclusion. Entertainment rises at a touch with a hidden TV on an electric lift, a wine cooler discreetly integrated into the salon, and high-end Fusion audio with four speakers and a subwoofer. The modern U-shaped galley, set on elegant oak flooring, features a full-size refrigerator and microwave oven, a deep stainless-steel sink,

generous counter surfaces, and abundant cabinet storage. Opposite, a comfortable dining area seats six, forming a convivial hub for family meals and refined hosting.

Accommodations

Below, the full-beam midship master suite is framed by oversized hull windows and appointed with a private en-suite head with a separate shower and a welcoming seating area. Forward, the VIP stateroom features an island berth with direct en-suite access, while to starboard a twin guest cabin offers side-by-side berths. A versatile fourth aft cabin with a private head, shower, and an independent transom door is ideal for crew or extra guests. Flat-screen TVs serve the master, VIP, and twin staterooms, complemented by custom fitted bed covers throughout. Comfort is assured by individually controlled tropical air conditioning in each cabin.

Exterior

Outdoors, a teak-laid cockpit invites relaxation with a convertible sunbathing cushion and adjustable backrests, centered around a teak cockpit table protected by its cover. The hydraulic swim platform, finished in solid teak, extends living space at the water's edge. Forward, a bow sofa with cushions pairs with a large sunpad featuring adjustable backrests, accompanied by speakers with local controls in the bow. Ground tackle is effortless with an anchor winch, anchor chain, and convenient controls. Movement is natural via solid teak flybridge access steps, while a full set of protective covers shields both cockpit and bow. Vigilance comes courtesy of engine room and cockpit monitoring cameras, and night passages are simplified with a searchlight featuring dual-station controls.

Flybridge

Command one of the largest flybridges in its class, fully protected by a fiberglass hardtop with an electric sliding hatch. Entertaining is effortless at the complete wet bar, which includes a sink, refrigerator, icemaker, and electric barbecue. The helm places you in a double leather helm seat with additional companion seating, for a total of two helm seats, facing a dedicated 16-inch Garmin display with full Volvo engine controls, a searchlight, and a chain counter. A teak dining table is wrapped by generous seating, while Fusion stereo controls and dedicated speakers set the mood. With excellent sightlines and all-weather comfort, every voyage becomes an occasion.
