# OVERVIEW

---

## 2022 Ferretti Yachts 500 — “AVANTI”

A scarce opportunity to own an almost-new Ferretti 500, this elegant flybridge motor yacht blends refined comfort, generous volume, and lively performance. Measuring 50.33 feet overall, AVANTI offers ample space for leisure, entertaining, and extended cruises, while its hand-laid fiberglass deep-V hull yields a steady, confident motion across diverse sea conditions.

Powered by twin Cummins QSB 6.7 diesels producing 550 hp each, she settles into a relaxed 26-knot cruise and will reach a 32-knot top speed, with an approximate 200-nautical-mile range suited to island hopping and coastal passages. Accommodation includes four thoughtfully arranged cabins and three heads, ensuring privacy for guests, and close-quarters maneuvers are made effortless by the Cummins Zeus joystick.

Comfort and reliability are highlighted aboard AVANTI: a hot freshwater system, Seakeeper stabilization for exceptional comfort at anchor and underway, and a low-hour Cummins generator. All batteries—service, engine, and generator—were replaced six months ago, and a comprehensive engine service was completed just last week. A recent yard period in May 2025 refreshed the vessel with new bottom paint and zincs, PropSpeed treatment on the running gear, and a full compound and wax of the hull and superstructure.

Delivered in 2022 and continuously managed through the Miami Yachting Full Yacht Management Program, AVANTI has been maintained by professional captains with every commissioning detail and factory nuance attentively refined. Complete maintenance records accompany the yacht, offering transparent history and confidence. Here is a turnkey, polished flybridge cruiser that pairs luxurious appointments with the reassurance of meticulous professional care.
