The 2017 Monte Carlo Yachts MC5 presents itself as a refined flybridge motor yacht, measuring 50 feet overall and artfully blending elegant accommodations with sprightly performance. Built on a sturdy fiberglass hull that soaks up sea motion and tempers noise, this yacht delivers a composed, comfortable ride. Internally, the layout can be arranged with up to three cabins and two heads, creating private retreats and generous living areas for guests. On the water she cruises confidently at 25 knots and is capable of reaching 29 knots at top speed, offering the right balance for relaxed coastal passages or livelier, long-distance runs. Contemporary systems and thoughtful onboard amenities enhance every hour aboard, while the well-appointed galley, voluminous staterooms and expansive open-air decks provide inviting spaces to savor sun and sea.

Whether lingering overnight in a secluded cove or plotting a longer voyage toward the Caribbean, this MC5 elevates time aboard into effortless pleasure. Contact us to arrange a private viewing at your convenience and experience how this Monte Carlo Yachts MC5 transforms performance into a stylish platform for unforgettable escapes.
