# OVERVIEW

Experience the elegance and performance of TCB, a 2019 PALM BEACH Motor Yachts GT50 measuring 50 ft LOA and located in the United States. Crafted with a Semi-Displacement hull in Fiberglass and Plastic Yachts with a Composite deck, this cruiser blends style with seakeeping confidence. A 14 ft beam provides generous volume, while a Draft Max of 10.116 ft underscores capable offshore intent.

Powered by twin Volvo Penta inboard diesels (Engine Count: 2; Engine Type: Inboard; Engine Fuel Type: Diesel), TCB is built for efficient, refined cruising. Thoughtful onboard capacities include 396 Gallons of fuel and 135 Gallons of water, supporting extended passages in comfort. Inside, accommodations are designed for an intimate escape, with sleeping for 2 and a total of 1 head, delivering a serene retreat at anchor or underway.

This Motor yachts Cruiser is a compelling choice for discerning buyers seeking contemporary build quality and timeless Palm Beach aesthetics in a proven 50-footer.

# DETAILED DESCRIPTION

## Boat Highlights

The Palm Beach Motor Yachts GT50, TCB, built in 2019 by PALM BEACH, at 50 ft LOA, offers an exceptional boating experience with a blue steel metallic hull that combines striking appearance with seaworthy performance. Powered by twin Volvo D8 IPS 800 diesel engines (600 hp each, approximately 804 hours) and equipped with Volvo Penta EVC-E electronic vessel control, the yacht features joystick piloting and an upgraded Dynamic Positioning System for precise station-keeping. Accommodation includes two berths, one head with a separate shower, and a well-appointed galley with abundant lockers and drawers. Decks showcase a raised helm deck with sheltered bench seating and an open cockpit lounge with plush seating and a built-in bar; the yacht is one of only two in the world built with the open cockpit configuration. Styling is low-profile and minimalist with a mirror-finish E-glass hull.

Notable equipment and recent service include main engines serviced in June 2026 (oil, oil filters, fuel filters, raw water pump impellers, air filter elements) and valve adjustments on both main engines in the same month; genset serviced in June 2026 (oil, oil filters, fuel filters, impeller); pods serviced in June 2026 (oil and oil filters); Starlink installed March 2024; two Blue Aqualuma Gen 4 12 series underwater lights; custom bimini top with removable side curtains; removable sun awning in Weathermax Mist; aft cockpit sunbeds (port and starboard); cockpit sunshade comprising two Finbrella wind-stable umbrellas in oyster white; full bow rail; acoustic engine sound shield; engine room camera interfaced with the multi-function navigation displays; 17" Garmin GPSMAP 8617 and Garmin GPSMAP 7607 chartplotters; Garmin AIS-600; and an 8 kW Fischer Panda Panda P10000i genset (approximately 863 hours). Additional galley equipment includes a two-burner portable Kenyon induction

stove with touch control and ceramic glass cooktop. Oil on the stern drive was changed in October 2024. Shestakov Yacht Sales can be contacted to schedule a private viewing or request additional details.

# CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
