OVERVIEW

The Mikelson 50 Luxury SF – Generation II, a bespoke creation by renowned designer Tom Fexas, stands as the pinnacle of the Mikelson collection, perfectly tailored for families, anglers, and adventurers alike. Featuring a modern side-cabin window layout and an innovative engine air intake design, this yacht for sale is a true masterpiece. The absence of an accent stripe and the refined side cabin window finish enhance its sleek profile. Inside, the expansive salon is adorned with panoramic windows and boasts an impressive 6'6" headroom, offering a choice of luxurious staterooms and a spacious utility room beneath the salon.

The generous flybridge is equipped with both forward and aft tournament stations, complemented by a molded staircase leading from the cockpit. The stand-up engine room, along with an optional cockpit day head featuring a shower, adds to the yacht's convenience. With a substantial fuel capacity of 1,000 gallons, a remarkable 16' 08" beam, and a low center of gravity, the Mikelson 50 ensures exceptional stability on the water. Powered by standard twin 600hp QSC Cummins "Common Rail" diesels and featuring a Fexas-designed semi-displacement hull, this yacht is engineered for both performance and efficiency, making it an ideal choice for long-range fishing and cruising adventures. Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that embodies luxury and functionality.
