OVERVIEW

Discover the Essence of Luxury Afloat: 2017 51ft Yacht for Sale in Greece

Step aboard this exquisite 2017 yacht, a harmonious union of refined design and marine engineering, now offered for sale amid the sunlit isles of Greece. Stretching 51 feet in length with a generous 14-foot beam, the vessel presents an airy, well-proportioned platform for both leisurely repose and spirited exploration. Her hull, fashioned from durable fiberglass and plastic, cuts a graceful profile that moves through the swell with assured poise.

Beneath that elegant silhouette lie twin Volvo Penta engines that deliver spirited performance: a comfortable cruise pace of 23 knots and the capacity to push to a thrilling 30 knots when the mood for speed beckons. A draft of just over 4 feet allows confident navigation in a wide variety of anchorages and coastal shallows, making this yacht as versatile in tight bays as she is capable on open water.

The deck invites lingering moments under the Mediterranean sun, its GRP finish melding practicality with a welcoming surface for entertaining or quiet reflection. The layout has been conceived to maximise convivial spaces for lounging and dining, while framing uninterrupted views of the Aegean horizon. Practical systems support extended passages with ease: more than 85 gallons of freshwater and nearly 349 gallons of fuel capacity ensure comfortable autonomy for longer cruises and island-hopping adventures.

Inside, the ambiance is one of understated sophistication — a retreat crafted for rest after days of exploration. Every detail has been carefully considered to balance comfort and function, creating an interior that complements the vessel's performance and social possibilities. Whether hosting intimate gatherings or finding solitary peace as the sun dips below the sea, this yacht adapts to the pleasures of each moment.

Located in Greece and presented for sale, this 2017 model stands as an

exceptional opportunity for those seeking the pinnacle of yacht ownership in the Mediterranean. It is more than a craft; it is a lifestyle promise, ready to welcome both seasoned mariners and newcomers to the world of yachting. Embrace the call of new horizons and let this remarkable vessel carry you toward unforgettable voyages.
