DETAILED DESCRIPTION

Features

Powered by 2 x Volvo Penta D12 800 EVC 1550 HP diesel engines, this yacht blends exhilarating performance with refined comfort. Expansive sunbathing areas include a large aft sunbed with a sociable seating area and a fabulous foredeck sunpad, inviting long, lazy days at anchor. Below, three spacious guest cabins welcome family and friends in effortless style, while the main deck in teak sets a timeless, yachting classic tone enhanced by amazing design features that turn heads in every marina. Practicality matches the poise: a big garage for a 2.8 m tender streamlines waterside adventures; an Onan generator and comprehensive air conditioning and heating deliver true autonomy and climate control; and the Fusion music system fills every moment on board with rich, immersive sound. Confident close quarters handling comes courtesy of a bowthruster and sternthruster, making this both a perfect family boat and a good charter boat for memorable escapes.
