OVERVIEW

Moored in Ibiza, Spain, this Princess V52 has been the subject of an exhaustive refit and now presents in pristine, turnkey condition as a refined sports cruiser. Both main engines have been comprehensively overhauled, with replacement coolers fitted, new turbochargers installed and valve clearances precisely adjusted on each unit to ensure smooth, dependable performance. New batteries complement a full service performed on the engines and the generator, and the onboard entertainment has been modernized with a new head unit and high quality speakers for enhanced onboard enjoyment.

The generator benefited from injector testing and a rebuilt injection pump, both inverters have been newly fitted, and the electrical system along with the bilge plumbing have been renewed. The bilge has been repainted and re-insulated to reduce noise, and the deck has been professionally polished to a deep, fresh shine. Above decks all exterior upholstery and marine vinyl are new; below, the interior has been entirely refreshed with new upholstery, custom sofas, new carpets and vinyl wrapped bulkheads, creating a contemporary and elegant atmosphere.

Arranged with 3 cabins and 2 bathrooms, this V52 delivers generous volume for extended cruising. Combining speed, comfort and composure, this fully upgraded express cruiser and performance yacht is an exceptional Mediterranean companion—an elegant hardtop motor yacht, stylish, capable and ready to be enjoyed.

DETAILED DESCRIPTION

Features

A compelling specification focused on performance, comfort and thoughtfully executed upgrades presents a yacht ready for immediate cruising. The intelligently arranged three-cabin layout is propelled by twin Volvo Penta 600 HP engines that have just undergone a comprehensive overhaul, complemented by a Kohler 13.5 kW generator and full engine and generator servicing to ensure reliable, cruise-ready operation. Fresh finishes elevate every touchpoint, with new exterior and interior upholstery, new exterior vinyl and vinyl-covered walls delivering a crisp, contemporary interior and exterior aesthetic. Onboard power has been renewed with new batteries and brand-new inverters, while onboard entertainment has been upgraded with a new JL Audio system. This turnkey package marries mechanical confidence with refined, cohesive styling throughout.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
