DETAILED DESCRIPTION

Section name

This 2001 450 Sea Ray Sedan Bridge stands out as an extraordinary yacht, seamlessly combining luxury, performance, and practicality. Equipped with twin Cummins 6.0CTA 8.3 480E diesel engines, each providing 450 horsepower, this vessel promises a robust and smooth sailing experience. With 2270 engine hours, it has been meticulously maintained and is primed for new journeys. Supporting the main engines is a Westerbeke diesel generator with an 8.0 KW capacity, boasting 2300 operational hours, ensuring a dependable power supply for all onboard systems.

The yacht's interior is crafted for comfort and ease, featuring three bedrooms and two full bathrooms, offering ample space for family and guests. The addition of Vetus bow and stern thrusters enhances maneuverability, making docking and navigating tight spaces effortless. The Glendenning electric system simplifies operation, while the transom shower provides a convenient way to rinse off after swimming.

For those who love to entertain, the yacht is outfitted with a Zin Saver II, a Bridge Majic Chef refrigerator, and a bridge icemaker, ensuring refreshments are always within reach. The livewell is ideal for keeping your catch fresh, and the Raytheon Tridata and Raytheon RL80C Radar offer advanced navigation capabilities. The Garmin GPS Map 7212 Chart and Garmin GHC 10 autopilot further enhance the yacht's navigational expertise, while the ICOM VHF ensures clear communication.

Entertainment is well-catered for with a Clarion sound system featuring a CD player, and for longer voyages, the Splendid washer/dryer combo and internal vacuum system provide the comforts of home. The extended swim platform is perfect for water activities, and the flybridge full enclosure, updated in 2019,

offers protection from the elements.

Recent enhancements include new cabin carpets, mid-cabin AC, and exterior cushion covers replaced in 2024 with Sea Ray skins, ensuring a fresh and modern appearance. The cockpit patio furniture, updated in 2019, adds a touch of sophistication to the outdoor area. The yacht's bottom paint, engine service, and compound and wax were all completed in 2023, ensuring it is in prime condition and ready for the water.

This Sea Ray Sedan Bridge exemplifies quality craftsmanship and thoughtful design, providing a luxurious and capable platform for both relaxation and adventure on the water.
