DETAILED DESCRIPTION

Description

A pristine 2008 Pershing 50 that merges signature Italian lines with true performance pedigree, this express yacht is driven by twin MAN diesel engines paired to surface drives for thrilling acceleration and exceptionally responsive handling. The exterior living areas are designed for leisure and entertaining, with a generous cockpit that hosts a comfortable sunpad beneath a retractable electric sunroof, while below decks a refined layout offers two staterooms, two heads and a contemporary galley, making it equally suited to social days aboard or longer cruises.

Navigation is entrusted to a Garmin chartplotter backed up by a secondary mini Garmin unit and a Garmin autopilot, all presented on crisp digital instrumentation for clear, confident monitoring. Audio aboard comes from a Fusion head unit and a set of JL Audio speakers, producing rich sound throughout the decks, and a bow thruster provides added manoeuvrability in tight situations. Recent upgrades reflect attentive ownership and include new air conditioning, fresh teak decking, new upholstery and new bottom paint, and the mechanical package is in sound order with engines and generator fully serviced. Practical equipment such as the windlass with anchor and the electric sunroof complete a specification that balances speed, style and onboard comfort.

Other details

The information provided for this vessel is offered in good faith; however, neither the accuracy of these particulars nor the condition of the yacht can be guaranteed or warranted. Prospective purchasers are strongly encouraged to

engage their own brokers or independent surveyors to examine and confirm any details they regard as important. This yacht is offered while available and may be sold, have its price revised, or be withdrawn from the market at any time without prior notice.

Propulsion

The yacht is driven by twin MAN R6 inboard diesel engines, both built in 2008 and each delivering 800 hp through V-drive transmissions; with 560 hours recorded on each unit, the two engines together produce a combined 1,600 hp, offering confident performance and refined reliability.

Specifications

Offering a refined blend of thrilling pace and poised economy, this yacht cruises at 33 knots and reaches a maximum speed of 42 knots. Her overall length is 51.92 feet with a 50-foot waterline, a beam of 14.08 feet and a freeboard of 4.5 feet, while draft varies from a minimum of 3.83 feet to a maximum of 4.5 feet. She registers a dry weight of 50,045 pounds and sits on a robust fiberglass hull that inspires confidence offshore. Endurance and onboard self-sufficiency are supported by tankage comprising 634 gallons of fuel, 132 gallons of fresh water and a 50-gallon holding tank. Interior arrangements accommodate guests across three cabins served by two guest heads, complemented by a dedicated crew cabin.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
