DETAILED DESCRIPTION

Overview

ARKADIA, from Pershing's 50 series, is a high-performance yacht that surges to 40 knots, driven by twin MAN engines paired with Arneson surface drives; her sleek silver profile, wide side decks and expansive swim platform blend striking style with effortless access to the water, while the open-air cockpit invites relaxed days underway with a generous sunpad, a convivial dining area and a fully appointed wet bar, and the refined interior offers a welcoming salon, a practical galley and three staterooms accommodating up to six guests, so with a top speed of 40 knots, modern exterior design, VAT paid and readiness for the next season, ARKADIA promises thrill without compromise.

Navigation equipment

Confidence at the helm comes from a clear suite of essentials: navigation lights for safe passage after dusk, a precise compass to hold your course, a depth instrument to read the seabed beneath, an autopilot to ease long runs and a VHF for crisp, reliable communications, all combining to deliver reassurance and control whether threading harbors or opening out to sea.

Electrical equipment

Maneuvering is effortless with both stern thruster and bow thruster, while a battery charger and generator keep onboard power stable at anchor and underway; climate comfort is assured by air conditioning, entertainment comes via a television and a rich Fusion audio system, and shorepower simplifies time in the marina, while a sliding roof transforms the ambiance at a touch and a BBQ griddle brings open-air dining to life.

General equipment

Everyday cruising is enriched by practical touches: an anchor handled by a robust anchor winch, a fire extinguisher for safety and a broad bathing platform that pairs with a bathing ladder for easy sea access, while a hydraulic passarelle streamlines boarding, the teak-laid cockpit and hard top create an elegant outdoor living space centered around a welcoming cockpit table, complemented by bow cushions and the convenience of a wet bar.

Accommodation

Thoughtfully arranged for family and friends, the layout comprises one master stateroom with an en-suite bathroom featuring a toilet and shower, plus one guest cabin and one twin cabin sharing a bathroom with toilet and shower—comfortably sleeping up to six guests.

Galley

The galley is practically equipped for effortless onboard living, featuring a hob for quick, efficient cooking and a combined fridge/freezer to keep provisions perfectly chilled throughout the voyage.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
