OVERVIEW

Delivered new to her original and sole Owner in 2016, this luxury motor yacht has been used exclusively for family cruising in the Mediterranean. Maintained continuously by an authorized dealer, she presents in outstanding mechanical order and immaculate cosmetics, reflecting careful stewardship throughout. From a renowned line of classic flybridge cruisers, this flybridge motor yacht remains stylish and current. Her slender, airy profile is highlighted by expansive superstructure glazing that floods the salon with light and grants panoramic views. A planing hull ensures composed, comfortable passages across the full speed range, with a top speed of 32 knots and an effortless cruising speed of 26 knots.

Designed for shared enjoyment, she offers three open-air social zones beyond the salon: a foredeck "beach" with sun loungers, a 19 m² flybridge with sofas and an alfresco dining area, and a relaxing cockpit lounge leading down to the swimming platform. The interiors blend restraint with Italian flair, creating an elegant, contemporary ambiance. The lower deck houses three cabins: a full-beam amidships master with a king-size berth, a forward VIP, and a starboard twin. An ideal family cruiser and performance flybridge yacht for refined Mediterranean cruising.

DETAILED DESCRIPTION

Advance package

The Advance Package elevates the yacht's capability with a 13 kW generator and a powerful 60,000 BTU air-conditioning system, safeguarded by double Racor filters on the main engines and complementary Racor filtration for the generator. Effortless close-quarters control comes via the Xenta Easy Docking maneuvering joystick for engines and thrusters, while spare conduits neatly link the engine room, wheelhouse, and radar arch to future-proof installations including the pre-installation for a watermaker. Safety and handling are assured with an automatic fire-fighting system, electric mooring winches, and an electric searchlight complemented by an additional control at the lower helm. Daily comfort is refined by a Decor Exclusive finish, Miele appliances with a microwave combo and cooktop, a shore water plug for convenient dockside supply, protective external covers for flybridge and cockpit furniture plus mesh covers for the windows, and, at the main helm, chaincounter control for precise anchoring.

Additional options complete the specification with flybridge furniture featuring a sink, refrigerator, and grill; a folding bimini top; sunbathing cushions; teak decking on the swimming platform and in the cockpit; a telescopic electro-hydraulic gangway; two floodlights installed on the aft fly; and two underwater lights beneath the swimming platform. The crew benefits from a dedicated air-conditioned cabin; the salon and lower deck gain dimmer lights, while exterior and interior LED lighting includes dimmers in the salon and cockpit; portholes are fitted with mosquito nets. A set of stainless-steel cooking pans joins crockery and cutlery for 6 persons, a sofa bed in the salon, a dishwasher in the galley, and a washer-dryer combo unit. Navigation and communications are comprehensive with Raymarine AIS 650 and the

Raymarine Gold Package comprising on the flybridge two Raymarine a125 chartplotters, an RMK-9 remote control, i70, p70R autopilot, Raymarine Open Array HD 4 kW 48" Color radar, and a VHF second station, while at the main helm there are two Raymarine a125 chartplotters, an RMK-9 remote control, i70, p70R autopilot, VHF Ray260, Raymarine VCM100 voltage converter module, SMART DST800 in-hull transducer (depth/speed/temperature), HS-5 network switch, and an EV-1 autopilot sensor core. Convenience on deck and at the helm is further enhanced by Yachtcontroller and a hi-lo system with a 42" TV, and the package is crowned by a Williams 285 tender (2016, 30 work hours) and a striking painted hull in Miami Silver Met (MA048.17).
