OVERVIEW

Mazu Yachts 52 is a superyacht chase boat crafted to host larger parties with its expansive interior volume and generous open decks. This 16-metre model also shines as a standalone personal yacht, equally suited as a luxury tender, sport yacht, express cruiser, dayboat, or weekender. Built on a carbon-fibre hull with a sandwich-core structure, the 52 delivers confident, high-efficiency performance on the water.

The interior is conceived in-house by Mazu Yachts, while the sleek exterior lines are by Halit Yukay; naval architecture is by Profjord. Inside, a welcoming saloon anchors the layout, and accommodations are arranged for 4–6 guests across 2–3 cabins, balancing privacy with sociable living.

Powered by twin 800 hp Volvo Penta IPS, the yacht cruises smoothly at 29 knots and sprints to 36 knots at full throttle. Range is 380 nautical miles, supported by a 1,900 L fuel capacity, with 600 L of freshwater on board.

DETAILED DESCRIPTION

Detailed description

Mazu Yachts 52 is a superyacht chase boat with generous interior volume and expansive deck areas to welcome larger parties of guests. At 16 metres, the vessel can just as confidently operate as a stand alone personal yacht, in keeping with the ethos of the wider Mazu Yachts range. Built with a carbon hull and a sandwich molded core, the Mazu 52 delivers impressive performance and a poised, efficient ride. The interior design is crafted in house by Mazu Yachts, the exterior design is by Halit Yukay, and the naval architecture is by Profjord. The interior layout features a comfortable saloon, while accommodation is arranged for 4–6 guests in 2–3 cabins. Powered by 2 x 800 Volvo Penta IPS, the boat cruises comfortably at 29 knots and reaches a maximum speed of 36 knots. The range is 380 nautical miles, with a fuel capacity of 1,900 L and a water capacity of 600 L.
