## OVERVIEW

---

Launched in 2012, this 52-foot motor yacht, currently lying in Turkey, combines Mediterranean elegance with purposeful seafaring capability. Built of durable fiberglass with a matching fiberglass deck, she offers a quiet, assured ride and the lasting luster and strength that discriminating owners expect from modern construction.

Her exterior lines are contemporary yet welcoming, with generous outdoor living areas designed for leisurely days afloat: a shaded aft cockpit invites long, unhurried lunches; wide side decks lead forward to a sunlit foredeck crafted for lounging and easy conversation on the breeze. A full-beam swim platform makes the water readily accessible—ideal for dawn swims, straightforward boarding or staging watersports with minimal fuss.

Inside, abundant glazing floods the salon with natural light, producing an interior that feels at once expansive and intimate. Fine finishes, quality joinery and comfortable, upholstered seating create a sociable environment that moves effortlessly from morning coffee to evening cocktails. A well-conceived galley accommodates everything from casual snacks to celebratory meals, while private staterooms and thoughtfully appointed heads provide peaceful retreats for family and guests during extended passages or weekend escapes. At the helm, ergonomic layout and unobstructed sightlines foster relaxed, confident handling. Twin Volvo Penta inboard diesel engines supply reliable thrust and efficient cruising characteristics, marrying smooth acceleration with the long-legged range needed to explore coasts or hop between islands with ease. The result is a yacht that feels composed and responsive—equally capable of slipping into a chic marina or carving a graceful wake across open water—ready for inspection and new memories along Turkey's storied shores.

# DETAILED DESCRIPTION

---

## Description

---

Delivered in 2012, this fiberglass motor yacht presents an LOA of 15.96 m, a 4.25 m beam and a 1.30 m draft, carrying a displacement of 17,065 kg. Thoughtfully arranged accommodations comprise two guest cabins and two guest heads, offering relaxed cruising and effortless onboard living. Propulsion comes from two Volvo Penta IPS 600 diesel engines with engine hours of port 838 h and starboard 835 h, combining efficient performance with confident maneuvering. Range-friendly tankage includes a fuel capacity of 1,320 litres, fresh water capacity of 340 litres and black water capacity of 130 litres, while onboard power is assured by a single 9.5 kVA Onan generator showing 2016 h. This yacht is offered with the rare convenience of an available berth at Çeşme Marina, paid until July 2026, making the transition to cruising life straightforward and immediate.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
