OVERVIEW

CHINOOK gleams in pristine condition, ready to carry you to far-flung harbors and sun-drenched atolls with effortless grace. From the Great Loop to the Bahamas and beyond, this yacht invites exploration, offering a rare flybridge layout that elevates both sightlines and style while a striking Fighting Lady Yellow hull announces your passage on the water.

Every voyage is made smoother by ABT Trac Hydraulic Fin Stabilizers, and maneuvering is assured thanks to hydraulic bow and stern thrusters with remote control; a 2023 Dockmate Docking System further simplifies close-quarters handling. The generous aft deck, finished in synthetic teak, provides a welcoming social space, while the radar arch lowers at the touch of a button to 18'6", an ideal convenience for Loop cruisers. Power comes from a robust 575 Hp Volvo D-9 with 2400 hours, supported by a stellar oil report, and a 9kw Northern Lights Generator installed in a soundproof enclosure, showing 1675 hours, keeps systems aboard humming.

Self-sufficiency is amplified by solar panels paired with a Victron Smart Solar Controller and a Village Marine Tec "The Squirt" water maker producing 23 gallons per hour. Anchoring and ground tackle are premium: a Hydraulic Muir Cheetah windlass works in concert with a Mantus M2 anchor. Connectivity and comfort are addressed with StarLink satellite internet, and a 10.5' AB RIB center console dinghy (2022) equipped with GPS/depth, boarding ladder, and towing bridle plus a 25 hp Yamaha outboard (2022) extends your reach from the mothership. With so much more to discover aboard CHINOOK, inquire today about this yacht for sale in its current location.
