OVERVIEW

Absolute's 52 FLY presents itself as a flybridge motor yacht that marries contemporary Italian styling with an exceptionally generous interior volume and a clever layout on every level. An open aft terrace flows seamlessly to an expansive flybridge and a welcoming bow lounge, creating distinct social areas for leisure or entertaining, all connected by wide side decks and unobstructed sightlines.

Within, the salon is framed by sweeping panoramic windows, hosting a fully outfitted galley and elegant, modern finishes that flood the space with daylight and a sense of openness. Down below, a full beam owner's suite, a spacious VIP stateroom and a versatile third guest cabin provide comfortable accommodations for extended cruises, while a separate crew cabin opens from the swim platform. Propelled by twin Volvo Penta IPS, this luxury motor yacht offers composed handling, efficient performance and effortless joystick docking—perfect for owner operators and seasoned captains cruising U.S. waters.
