## OVERVIEW

---

Nearly new dealer-demo OKEAN 52, presented in immaculate condition and ready for immediate enjoyment. Beneath her graceful profile sit twin Cummins QSC8.3 inboard diesels producing 600 hp apiece, supported by a Kohler 16 kW/60 Hz generator that supplies reliable onboard electrical power. Her 14'6" beam creates a wide, steady platform and a generous footprint; an open-plan layout reveals roughly 1,080 sq ft of internal living space that flows effortlessly onto expansive decks, blurring the line between inside and out.

Designed to welcome up to six guests in comfort, she houses three finely appointed cabins and two heads, an arrangement ideal for extended passages. The transom opens to a stylish Beach Club, a secure waterside lounge, while a hydraulic swim platform with jet-ski cradle simplifies launching toys and water pursuits. The flybridge, outfitted with a grill and refrigerator and ample sunning areas, provides an exceptional entertaining realm. Navigation and comfort are enhanced by Raymarine electronics, Seakeeper gyro stabilization, and bow and stern thrusters, resulting in composed, confident handling. A refined flybridge motor yacht, this OKEAN 52 marries luxury cruiser comforts with sport yacht capability for both coastal cruising and bluewater exploration.

## DETAILED DESCRIPTION

---

### Flybridge

---

The flybridge is crafted for effortless entertaining, pairing an 80L refrigerator with an electric grill and a neatly integrated sink basin to keep refreshments and prep within easy reach, while an inviting L-shaped seating area flows seamlessly into a generous sun pad lounging zone that invites long, languid afternoons; all of this is shaded on demand by a sleek Bimini top that turns the space into a private terrace in the breeze, perfect for convivial gatherings or quiet sunset moments.

### Electronics

---

A Fusion stereo system drives DS18 amplifiers to power ten 6.5" DS18 speakers with integrated lighting and one 10" DS18 subwoofer, enveloping the yacht in rich, customizable sound, while seamless wireless Bluetooth connectivity keeps playlists flowing; a full navigation suite with auto-pilot, a dependable VHF radio, and comprehensive Raymarine electronics bring confident fingertip control to every helm, ensuring that entertainment and command are equally effortless.

### Mechanical equipment & engine

---

Power comes from twin Cummins QSC83 diesel inboard engines delivering 600 hp with 65 hours, balanced by the whisper-quiet assurance of a Kohler 16 KWA 60Hz generator; precision handling is elevated by bow and stern thrusters and a Seakeeper NG6 for exceptional stability, while a third command station expands control options and the vessel's fuel-efficient design ties it all together for composed, economical cruising.

---

## Electrical system

---

Underwater lights in white and blue, three units, set the mood after dusk and are complemented by searchlights with controls at each station to maintain safety and visibility, while the flybridge helm features a Raymarine Axiom 9" screen and the main helm benefits from two 12" Raymarine Axiom screens for clear situational awareness; USB charging ports are thoughtfully distributed throughout the yacht and an integrated LED lighting system completes the efficient electrical suite.

---

## Exterior - aft area

---

A hydraulic swimming platform with a dedicated jet ski cradle transforms the waterline into your private launch, flowing into an extendable beach club area finished in warm teak flooring that invites barefoot lounging; a wet bar with practical storage keeps service effortless and stainless steel handrails add a reassuring, polished touch that underscores the exterior's refined functionality.

---

## Accommodation

---

Three guest cabins welcome you aboard in refined comfort, anchored by a full-beam master suite with an en-suite head that offers privacy and space, joined by a serene VIP stateroom and a versatile twin guest cabin that adapts to family or friends; high-end woodwork and meticulously executed finishes elevate the ambiance throughout, while generous storage in the form of closets, drawers, and under-bed compartments keeps everything elegantly organized and two guest heads continue the theme of indulgence with rain shower heads, vanities with mirrors and storage, and electric toilets.
