OVERVIEW

Discover refined yachting aboard the 2027 Galeon 520 FLY, a sumptuous flybridge motor yacht propelled by upgraded twin Volvo Penta D11 725s for assured performance. Galeon's signature Beach Mode opens the hull to create an elegant indoor outdoor living area, while a generous flybridge, exquisitely finished staterooms and cutting edge Raymarine navigation work in concert to deliver graceful handling and absolute comfort. Designed to host family and friends in effortless style, this yacht turns every outing into a memorable seafaring escape.

DETAILED DESCRIPTION

2027 Galeon 520 Fly

Step aboard the 2027 Galeon 520 FLY and experience an elevated fusion of refinement, innovation, and seafaring capability driven by upgraded twin Volvo Penta D11-725 diesel engines that provide assured performance, responsive handling and seamless control from either helm. Crafted for entertaining, the yacht showcases Galeon's signature Beach Mode Package with cockpit balconies that unfold to transform the aft deck into a sweeping open-air salon at the water's edge, while a hydraulic movable swim platform finished in Permateek complements the teak cockpit, balconies, swim platform and flybridge steps to create a cohesive, premium exterior. An electric lowerable aft cockpit table facilitates an effortless shift from spirited cruising to relaxed al fresco dining and waterside lounging, and beneath the laminated flybridge hardtop with its fixed carbon roof the expansive bridge becomes a convivial gathering place complete with flybridge wet bars offering a refrigerator, a hot-and-cold-water sink, an electric grill and an icemaker. Handling precision is heightened by the Full Control Package in concert with variable-speed bow and stern thrusters, and the Yacht's specification is further enriched by the Dining Mode Package, six underwater LED lights, carefully placed exterior and master-stateroom ambient lighting and a Cablemaster shore-power system to ensure comfort and convenience at every port. The interior palette pairs Eucalyptus Pearl matte cabinetry with the Mediterranean Design Package to deliver a crisp white ambiance, complemented by pleated blinds throughout the salon and cabins and layered ambient lighting in the salon, exterior areas and master stateroom that set an inviting mood day or night. Entertainment options are generously appointed with a ceiling-mounted 50-inch television in the salon, a 43-inch television in the master and a 32-inch television in the

forward cabin. Navigation and electronics inspire confidence on passage with two 16-inch Raymarine Axiom XL displays, digital radar, a fishfinder with transducer, a Raymarine Evolution autopilot and a Ray91 VHF with AIS plus a flybridge repeater, with an additional nine-inch Raymarine Axiom+ display at the passenger console. Whether basking on the sun-drenched flybridge, opening the balconies for an unforgettable waterside experience or retiring below to exquisitely finished accommodations, the 2027 Galeon 520 FLY marries performance, sophistication and thoughtful design; contact us to request further details or to arrange a private viewing.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
