## OVERVIEW

---

The arresting 2014 Princess 52' combines elegant lines with lively performance, a flybridge motor yacht and luxury power cruiser that has been meticulously maintained and thoughtfully modernized. DEBT SETTER presents a host of enhancements that marry form and function: a streamlined hardtop and enlarged trim tabs for improved handling, freshly laid Davies Foteak on the bridge and new carpeting throughout, plus 2024 window tinting and V Cool tint fitted throughout the salon. The interior is a bespoke Pioneer Linen scheme, while the exterior comforts include adjustable backrest sunpads, a UMT six step boarding ladder and an included dinghy. An upgraded air conditioning boost readies her for warm weather cruising, and a 1,000 hour service is scheduled for February 26, reinforcing her turnkey condition. Perfect for Bahamas passages, coastal cruising or refined liveaboard life, she is a must see flybridge cruiser.

# DETAILED DESCRIPTION

---

## Interior features

---

A custom linen package by Pioneer Linens dresses a walnut satin wood interior, where an LED lighting upgrade casts a warm, efficient glow over a galley aft layout perfectly arranged for on deck dining. Opposite the galley to port, a custom sideboard conceals an under counter freezer and dedicated bottle storage, while Llumiar V Cool custom window tint tempers sunlight without dulling the view. Safety and comfort are inseparable thanks to universal smoke detectors throughout, three staterooms complemented by a separate crew cabin, HD DirecTV with internet and WiFi for seamless entertainment, and the everyday ease of a central vacuum.

## Features

---

Precision handling comes courtesy of variable speed bow and stern thrusters and an upgrade to Bennett Dual Actuator Premiere Line trim tabs, while a closed circuit camera system and a premium Ghost alarm system stand vigilant. Offshore connectivity is assured by a TracVision HD7 satellite with four receivers, and boarding is effortless via a custom six step gangway. After dusk, LED illuminated transom lettering and four Lumishore blue underwater lights create a signature glow beneath rugged Trend tempered windows.

## Salon

---

The salon welcomes with a custom white leather sofa to port seating six to eight guests and a matching white leather loveseat for four to starboard, arranged around a high gloss teak dining table set on a motorized, height adjusting base. Custom Oceanair blinds and a bespoke carpet with

runners elevate the ambience, while a 40" LED HDTV with DirecTV pairs to a Harman Kardon 2.1 Blu-ray system and KEF speakers for cinematic sound. Climate is commanded by a new Dometic Cruisair 36,000 BTU A/C compressor with Cruisair digital air conditioning controls, and convenience extends to integrated lighting controls and a closed circuit camera.

## Galley

---

Positioned starboard aft for effortless service to the cockpit, the galley features Aztec brown Avonite countertops over rich Wenge flooring. Opposite to port, a custom sideboard houses an under-counter freezer and bottle storage, complementing a Franke sink with Grohe faucet, a Trident three-burner stove, and a Sharp convection grill microwave R-820JS. Cold storage is generous with a Waco three-drawer refrigerator with freezer and a Vitrifrigo ice maker, while a garbage disposal, ample cabinetry, handmade Dartington crystal glassware, and handmade Legle porcelain plateware complete a gourmet workspace, brightened by sliding windows to port and starboard.

## Foyer and companionway

---

At the heart of shipboard systems, the foyer and companionway host the 110/220V A/C power distribution panel alongside the 24V DC power distribution panel, all overseen by lighting controls and secured by a Ghost Phantom alarm system by Paradox.

## Master stateroom

---

The master stateroom indulges with a queen-sized bed flanked by individual reading lamps and a custom white leather loveseat to port, framed by large hull windows with opening port lights shaded by wooden blinds. With 6 ft, 4 in

of headroom, storage is generous—an expansive closet, ample bedside stowage, and a four drawer cabinet to starboard—while entertainment arrives via a 28" Panasonic HDTV with DirecTV. Personal valuables rest securely in an AMSEC electronic DL5000 safe, climate is refined by Cruisair A/C controls, and laundry is discreetly handled by a Splendide WD 2100 XC washer/dryer enclosed within cabinetry.

## Master head

---

Elegant finishes define the master head, with a Perrin Rowe sink paired to Hansgrohe faucet and shower fixtures, a floor to ceiling glass shower door, Kokoura white Avonite countertops, and Carrera Avonite flooring. An opening port light with Oceanair blinds and a mirrored medicine cabinet add light and utility.

## VIP stateroom

---

The VIP stateroom offers a queen bed with individual reading lights and useful under bed storage, illuminated by a skylight/escape hatch. Custom carpeting and a port side closet with ample capacity frame the space, served by a 28" Samsung LED HDTV with DirecTV and a Fusion AM/FM stereo with CD/DVD player. Comfort comes via Cruisair A/C controls, fresh air through port and starboard opening port lights, and versatility with two hideaway mini leather and wood stools, black leather countertops, and private head access.

## Twin stateroom

---

Ideal for friends or family, the twin stateroom features twin beds that convert to a full size bed via a motorized sliding bed control, with entertainment from a 28" Samsung television with DirecTV and a Fusion AM/FM stereo with

CD/DVD player. Starboard opening port lights invite sea breezes, while a hanging closet with storage and Cruisair A/C controls ensure order and comfort.

## Guest head

---

Cohesive with the yacht's refined aesthetic, the guest head presents a Perrin Rowe sink with Hansgrohe faucet and shower fixtures, a floor to ceiling glass shower door, Kokoura white Avonite countertops, and Carrera Avonite flooring, brightened by an opening port light with Oceanair blinds.

## Crew quarters

---

Purpose built for comfort and autonomy, the crew quarters benefit from an aft facing window with Oceanair blinds and dedicated Cruisair A/C controls with a separate system. Practicality includes a toilet and wash basin with a Hansgrohe faucet, Kokoura white Avonite countertops, and direct bilge access.

## Lower helm

---

Command is intuitive at two cocoa brown leather helm chairs facing a Plastimo Offshore 105 compass, VDO RPM tachometers, and a VDO rudder indicator, with port and starboard MAN engine MMDS displays close at hand. A recessed storage locker integrates a Garmin chip loader and 12V outlet, while fuel tank gauges for port and starboard, sliding window controls, a Side Power bow/stern controller, and an engine alarm display keep operations seamless. Navigation and awareness are anchored by a Garmin 8212 GPS display, Garmin GMI 10 data repeaters, a Garmin GMC 10 auto pilot, and a Garmin GMR 404 x HD radar with a 4' open array, complemented by starboard stop controls, Bennett trim tab controls with lighted display indicators, a Fireboy

Xintex fire suppression system, and a close caption camera monitor for the salon.

## Flybridge

---

Ascend through a gas assisted, tinted staircase door to a flybridge that invites lingering meals around a high gloss teak dining table. Entertainment flows with a 24" Mirage Vision Outdoor LED HDTV with DirecTV and a Fusion IP600 radio/iPod/MP3 player linked to the salon audio system, while blue deck lighting sets the tone over Wycap custom Moonshine Berber carpet and cushion covers with storage below. A refrigerated cooler, a lava brick grill within the wet bar, a hard top with integrated lighting, a Lira stainless steel sink, and a throw ring with rescue line complete a space designed for open air living.

## Flybridge electronics

---

From the upper helm, a Plastimo 105 offshore compass aligns with a digital engine alarm system, a Garmin GMI 10 data repeater, Garmin depth and speed, a Garmin auto pilot, and a Garmin 8212 GPS display. Broader situational awareness is delivered by a Garmin GMR 404 x HD radar with a 4' open array, supported by MAN engine controls, Side Power bow and stern variable speed control, a Bennet trim tab control, an ACR search light pad, and a Fireboy Xintex fire suppression system.

## Aft deck

---

The aft deck is a true waterfront terrace, starring an electric hydraulic swim platform and an upgraded Wood Chuck Workshop teak surface that extends across both the aft deck and platform. A starboard teak step staircase leads to

the flybridge, while port and starboard storage lockers, a swim platform keypad, and multi color overhead lighting add versatility. Fusion stereo controls set the soundtrack, with direct access to the engine room and crew quarters, an emergency bilge pump control station, a fresh water shower, and a Glendinning Cablemaster 50 amp shore power cord standing by.

## Deck equipment

---

Forward, a Lewmar windlass works with a Delta anchor, controller, and a dedicated anchor locker, flanked by two bow lockers for added stowage. A forward Trend Marina skylight/escape hatch brings natural light above custom sun pads with individual recline settings in Movida Met Plata with Diamante Snow contrast, all secured by stainless steel railings with lifeline. A fore deck washdown keeps this elegant space pristine.

## Engine room

---

Performance and reliability begin with two MAN R6 engines at 800 hp, paired to two ZF marine transmissions and breathing through a Halyard marine exhaust system. Power demands are met by a generator upgraded to 13.5 kW / 60 Hz and a Mastervolt ChargeMaster 24/60 3 battery charger, while range is assured by two Princess aluminum fuel tanks of 312 gallons each. Safety stands ready with a Fireboy Xintex halon system 286.

## Machinery

---

Precision steering is delivered by a Sleipner power steering system, while a Halyard water separator serves the gen set for quieter, cleaner operation. Maintenance stays simple with a Reverso oil change system for the main engines and generator, complemented by a dependable gen set Cummins /

Onan generator.

## Disclaimer

---

The details of this yacht are offered in good faith but cannot guarantee the accuracy of this information nor warrant the condition of this boat for sale. This yacht is offered subject to prior sale, price change, or withdrawal from the market without notice.
