OVERVIEW

This distinguished 2013 Princess 52' is a harmonious blend of elegant lines and assured performance, a Flybridge Motor Yacht that makes every outing an event. Named "Release Me," she offers a two-stateroom, two-head layout with generous interior volume, perfectly suited to two couples or a small family, and presents an appealing balance of poise and practicality whether bound for Catalina Island or slipping along the harbor at dusk.

Meticulously maintained and thoughtfully updated, she is LLC owned and equipped for convenience and confident handling, including a Dockmate yacht controller for precise close-quarters maneuvering. Interior wood soles have been freshly refinished, and a Sonos Connect has been integrated with the existing Bose audio for immersive sound throughout. Recently hauled and comprehensively serviced, this luxury cruiser and coastal family cruiser is turnkey and ready to enjoy, embodying the comfort, capability, and refinement expected of a premium Princess.

DETAILED DESCRIPTION

Standard equipment

Confidence at the helm begins with a power-assisted steering system and a bow thruster (120 kgf/265 lbf) that together deliver precise, stress-free maneuvering in tight marinas and open anchorages. The robust 24v DC/240v AC electrical architecture is supported by a 220v/240v generator (7kW) and 240v shore power with an 80-amp float battery charger, ensuring silent nights and seamless days afloat. Effortless handling is furthered by a remote-control electric anchor winch and electro-hydraulic trim tabs, while an integrated suite of navigation and safety electronics — autopilot, VHF with DSC R/T, speed and distance log, echo sounder with alarm, and a remote-control searchlight — elevates situational awareness and confidence underway. Everyday indulgence is catered for by a combination microwave/conventional oven/grill and a refrigerator with a deep-freeze compartment, complemented by a cockpit wetbar with a sink and a top-loading coolbox. Comfort and entertainment flow through the interior with electric quietflush toilets and a saloon LED TV/DVD/Radio/CD, and underfoot teak-laid detailing enriches the transom platform, cockpit deck, and stairs to the side decks. The cockpit seating and dining area converts to a sunbed beneath an electrically operated sliding sunroof, while riverside ease is assured by an electro-hydraulic raise/lower transom platform, transom door, and hot-and-cold transom shower, all of which may be protected when desired by a neat, tailored cockpit cover.

Manufacturer provided description

The very latest in sports yacht technology paired with the Princess deep V hull gives the V52 a finely judged balance of agility, performance, and flexible on board comfort. Her enclosed deck saloon delivers significantly larger

interior accommodation than a fully open model while preserving the thrill of the ride; triple sliding glass doors and a large electrically controlled sunroof invite the elements at will or create a tranquil retreat when closed. From the elegant panelling in the saloon to the convertible sunbed within the cockpit dining area, the V52 unites fine detailing with practical solutions that reward every moment aboard. Below deck, adjacent to the fully fitted galley, a lower saloon forms a separate entertaining area that can be converted to provide additional berths for occasional guests; alternatively, a permanent third guest cabin can be specified, as can an aft crew cabin if required. The owner's stateroom is a spacious haven complete with ensuite bathroom, its large hull windows flooding the cabin with natural light and elevating the serene ambience created by quality materials and meticulous detailing. Forward, a second full size stateroom provides generous storage and an ensuite bathroom with a separate stall shower, ensuring privacy and comfort for all.

Disclaimer

The details of this yacht are offered in good faith but cannot guarantee the accuracy of this information nor warrant the condition of the boat for sale. This yacht is offered subject to prior sale, price change, or withdrawal from the market without notice. It is presented as a convenience by a yacht broker to its clients and is not intended to convey direct representation of a specific yacht for sale.

Overview

This stunning 2013 Princess 52' achieves the sweet spot between elegant design and exhilarating performance. Release Me presents a two stateroom, two head layout that invites two couples or a small family to cruise in absolute comfort, her spaces meticulously maintained and thoughtfully upgraded to

deliver an uncommon blend of luxury and reliability. Equally at ease dashing across to Catalina Island with the family or gliding through the harbor with friends, she feels instantly welcoming and reassuringly capable. LLC owned, she benefits from practical advantages on paper, while on the water her confidence is amplified by a Dockmate Yacht Controller for effortless close quarters handling. The wood floors have been refinished to a rich luster, and a Sonos Connect has been integrated with the existing Bose sound system for seamless, premium audio throughout. Adding to the peace of mind, the boat was recently hauled out and serviced, underscoring a standard of care that lets you simply step aboard and go.
