OVERVIEW

Presented in pristine, showroom condition, this Chaser 500R has been cherished by a single owner and shows fastidious care throughout. Brimming with sought-after options, she offers a snug two-berth cabin with a full head for effortless overnighting, while her elegant lines and purposeful fit-out allow her to perform equally well as a luxury RIB, performance dayboat, sport cruiser, or motor-yacht chase boat. She excels at watersports, relaxed passages to the Bahamas, serious fishing and refined entertaining, marrying practicality and speed with unmistakable style.

Thoughtfully arranged stowage swallows Seabobs, water skis, wakeboards and dive gear with ease, and a sturdy swim ladder assures a simple, safe return aboard after a swim or dive. Exceptionally capable as a superyacht tender, the 500R boards guests with confidence even when seas build; her Orca Hypalon tubes shrug off close-quarters contact and a shallow 3 ft draft allows her to slip ashore and deliver guests directly to beach clubs. As a supply boat she tows cleanly and remains impressively stable, and a substantial 700-gallon fuel capacity yields a remarkable 600-mile range, enabling long shadowing runs or extended passages without frequent refueling.

Family-minded in every detail, safety is paramount: a considered deck layout and a true walkaround inspire confidence for guests of all ages. A well-equipped galley, generous seating encircling the dining table, and a foredeck lounge create an inviting stage for alfresco meals and sunset cruising. Offered ready now for her next owner, this Chaser 500R is available for inspection in Miami Beach, Florida.

DETAILED DESCRIPTION

Other details

Propelled by triple Mercury Verado 400R outboards, this RIB is finished with highest grade Orca Hypalon tubes in a dual color Fabric Impression scheme that sets a refined tone from the waterline up, while intelligent centralized control via Empirebus allows every lighting circuit and electronic system to be managed directly from the Raymarine screens, safeguarded by a parallel back up switch panel and complemented by a dedicated control panel. The presentation is immaculate with full antifouling, premium paintwork and painted storage compartments; a Flexiteek deck, hardtop and an aft deck bimini top shape generous outdoor living with forward and aft sun pads, an outdoor dining table that pairs with the interior dining table, plush cushions inside and out, and a swimming ladder for effortless access to the sea. Confident close quarters handling is ensured by the Max Power CT 125 Duo bow thruster and a comprehensive docking package, with an additional docking and safety package specified for total peace of mind. Navigation and communications are professional grade, featuring two 12 inch Axiom Raymarine displays, Garmin AIS 800 and the VHF Ray 91 Black Box AIS Rx system, while night and day visibility and ambiance are expertly tuned with LOPO navigation lights, dedicated navigation, interior and exterior lighting, LED floor illumination and dimmable interior and exterior lights, all underscored by dramatic Piranha P6 underwater lights. Entertainment is elevated by a high end customized Mosconi German Maestro sound system and cabin sound isolation preserves a tranquil interior underway. Power and ship systems are equally robust, anchored by a Victron Multiplus 120A 3000W inverter/charger and a Victron Isolation Transformer 3600W 115/230V, plus interior and exterior shore power connectivity. Domestic amenities include two

DW35 Vitrifrigo fridges, a Hydrophor 12V 8L water pressure pump and a Quick B3 40l boiler serving a bathroom appointed with shower, washbasin and electric toilet, alongside a cabin that converts between a double bed and a sofa. Seamanship and safety details are comprehensive, with bilge pumps, fire extinguishers, an electric anchor package and an additional anchor package, together with a compass and towing hook, and generous storage throughout the boat to ensure every essential is stowed and accessible.

Другие детали

Борт приводится в движение тремя подвесными моторами Mercury Verado 400R, надувные баллоны выполнены из первоклассного Orca Huralon в двухцветном исполнении Fabric Impression, задающем тон с ватерлинии вверх, а интеллектуальное централизованное управление через Empirebus позволяет контролировать все осветительные цепи и электронные системы непосредственно с экранов Raymarine, при этом предусмотрена параллельная резервная панель переключателей и выделенная панель управления. Внешний вид безупречен: нанесен полный антисульфат, выполнена премиальная окраска и окрашены отсеки для хранения; палуба покрыта Flexiteek, надстройка оснащена хардтопом, а кормовая зона — тентом бимини, что формирует щедрое пространство для жизни на открытом воздухе с носовыми и кормовыми соляриями, обеденным столом на улице, который гармонирует с интерьерным обеденным столом, плюшевыми подушками внутри и снаружи и удобной лестницей для купания. Уверенное маневрирование в ограниченном пространстве обеспечивает носовой тягач Max Power ST 125 Duo в сочетании с полным комплектом для швартовки, а для полного спокойствия дополнительно указаны расширенные комплекты швартовки и безопасности. Навигация и связь выполнены на

профессиональном уровне и включают два 12 дюймовых дисплея Axiom Raymarine, Garmin AIS 800 и систему VHF Ray 91 Black Box AIS Rx, а видимость и атмосфера в ночное и дневное время тщательно настроены при помощи навигационных огней LOPO, отдельных навигационных, интерьерных и экстерьерных светильников, светодиодной подсветки пола и регулируемого по яркости внутреннего и наружного освещения, подкрепленных эффектными подводными светильниками Piranha P6. Развлечения представлены высококлассной кастомной аудиосистемой Mosconi German Maestro, а звукоизоляция каюты сохраняет спокойную атмосферу в ходе перехода. Электроснабжение и бортовые системы не менее продвинуты: Victron Multiplus 120A 3000W инвертор/зарядное устройство и Victron Isolation Transformer 3600W 115/230V в сочетании с возможностью подключения к береговому электроснабжению как внутри, так и снаружи. Бытовые удобства включают два холодильника DW35 Vitrifrigo, Hydrophor 12V 8L насос для водяного давления и Quick B3 40l бойлер, обслуживающие санузел с душем, раковиной и электроунитазом, а также каюту, трансформируемую из двуспальной кровати в диван. Морские и спасательные элементы проработаны всесторонне: насосы трюмные, огнетушители, электрический якорный комплект и дополнительный якорный комплект, а также компас и буксировочный крюк, наряду с вместительными отсеками по всему судну, обеспечивают организованное хранение и доступ ко всему необходимому.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
