OVERVIEW

Motu

Motu, a 2018 PRESTIGE 520 Fly measuring 52 feet LOA, presents a thoroughly modern profile from the Jeanneau/Prestige design teams, with interiors by Garroni Design.

On deck, the expansive flybridge sits beneath a hardtop and features a portside helm, starboard sunbeds, and generous seating around an aft table. The cockpit below offers a teak deck and wooden table shaded by an awning. Aft, a crew cabin doubles as a fourth berth or dedicated storage, while the transom hosts a sizeable BBQ and a hydraulic swim platform that simplifies launching the included tender.

Indoors, the cockpit transitions seamlessly to the galley and a bright, airy salon. To port, a fold-out table accommodates eight for dinner; to starboard, the inside helm is equipped with full electronics and a joystick for effortless docking.

Below, the full-beam master stateroom aft enjoys a private entrance, ample headroom, abundant storage, and an ensuite head. Forward lies a VIP with a double that converts to twin singles, complemented by a guest cabin offering two singles that convert to a double.

Maintenance is meticulous: oil changes noted by date and engine hours, batteries clearly labeled and dated, and a well-organized inventory of spares—evidence of careful stewardship throughout. This example shows exceptionally clean, survey-ready condition.
