## OVERVIEW

---

Introducing the 2021 Prestige 520, a distinguished flybridge motor yacht that harmonizes refined craftsmanship with assured seakeeping. Often considered the finest model in its series, this 2021 luxury cruiser has been meticulously cared for and configured to meet the most discerning preferences. She is propelled by Volvo Penta IPS pod drives with intuitive joystick control at the main helm and up on the flybridge, delivering spirited performance and exceptionally responsive handling. Entertaining comes naturally aboard, with ample seating in the full-teak cockpit, expansive flybridge lounges and a generous bow sunpad for effortless relaxation at anchor. The interior salon is light-filled and airy thanks to near-360-degree glazing that immerses the living spaces in natural light and panoramic views. Accommodations include a full-beam master suite with a private head, alongside two additional staterooms that share a well-appointed bath, ensuring every guest travels in comfort. With low hours and an impeccable maintenance history, this yacht is genuinely turnkey and ready to be enjoyed.

# DETAILED DESCRIPTION

---

## Overview

---

The flybridge is appointed for effortless entertaining and precise control, with dual Raymarine electronics sheltered beneath a rigid flybridge hard top and Volvo joystick control for assured maneuvering in tight quarters. A dedicated cooktop and refrigerator make alfresco dining simple, while abundant lounge areas—including an L-shaped settee with a serving table—encourage lingering afternoons. A premium JL Audio package provides a high-end soundtrack, and windlass control sits within easy reach to ensure smooth anchoring.

Aft, the cockpit presents a teak deck and a hydraulic swim platform complete with a swim platform washdown for easy water access and maintenance. An ice maker keeps chilled refreshments on hand, the Glendenning cable master simplifies shore power handling, and L-shaped seating with a flip-out serving table creates a natural gathering point. Practical needs are addressed with straightforward Engine Room access and an aft crew cabin, while a second JL Audio package delivers immersive sound throughout the space.

Underpinning the yacht's behavior on the water is a Volvo D6 IPS 650 propulsion package with Pod Drives showing 650 Hrs, paired with a Cummins Onan Generator 13.5kw with 1000 Hrs to support all onboard systems. Climate comfort is provided by Dometic chilled water A/C, and a Seakeeper gyro stabilizer brings significantly reduced roll for a steadier ride.

At the starboard helm, operation is intuitive and comprehensive with dual Raymarine MFDs, Raymarine VHF, Auto Pilot, Volvo joystick control, windlass control, and Lenco trim tabs giving precise, fingertip adjustments. Below, the interior unfolds as a refined sanctuary: a full-beam master aft with a private head offers a tranquil retreat, while two guest cabins on the main deck—a forward VIP and a port-side double—accommodate family and friends,

complemented by a crew bunk with head for added flexibility. The aft galley, equipped with cooktop, microwave oven, and refrigerator/freezer, keeps culinary life central to the yacht, and a stowable TV disappears when not required to preserve clean sightlines. Social areas are arranged with elegance and balance, featuring a U-shaped couch and formal table to port and an L-shaped couch to starboard, creating versatile spaces for relaxed lounging or refined dining.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
