DETAILED DESCRIPTION

Section name

Step aboard Yes Dear, a breathtaking yacht that enchants with her sleek, dark blue hull. This extraordinary vessel has received numerous impressive upgrades and has been carefully maintained by a devoted owner, ensuring all upkeep is current and in pristine condition. Inside, you'll find a sophisticated cherry wood interior that exudes warmth and elegance, complemented by brand-new upholstery and carpeting in neutral tones. The Sea Ray Sedan Bridge Yes Dear is equipped with powerful twin Cummins QSM-11 engines, each delivering 660 horsepower, with 1200 hours of operation, guaranteeing robust and dependable performance. It also includes a 13.5kW Onan generator with 2790 hours, supplying ample power for all your needs. A highlight of this yacht is the expansive air-conditioned flybridge, providing a comfortable area to take in the views. The interior is spacious, featuring three staterooms that offer generous accommodation for guests. The addition of all new soft goods enhances the luxurious ambiance, making this yacht truly ready for immediate cruising. The shimmering dark blue hull is not only a visual masterpiece but also a testament to the vessel's superb condition and meticulous care.

Accommodations

The accommodations on this yacht are crafted with an emphasis on comfort and opulence. The master stateroom is positioned at the front and boasts an island queen bed, offering a roomy and welcoming sleeping space. It comes with a private ensuite bathroom featuring an enclosed shower, ensuring both privacy and convenience. This stateroom also includes generous storage options and its own air conditioning unit, allowing for customized climate

control. The VIP suite, located to port, features a queen bed, providing a cozy haven for guests. It shares an ensuite bathroom with an enclosed shower, ensuring all guests enjoy modern comforts. On the starboard side, there is a bunk room with two twin bunks, making it perfect for additional guests or family members. Each of these accommodations is meticulously designed to enhance comfort and functionality, ensuring a delightful experience for everyone on board.

Salon and galley

The salon of this yacht is crafted to provide both elegance and comfort, featuring two spacious wraparound sofas positioned outboard on each side. The area is accentuated by sliding doors with stainless steel frames at the aft and expansive windows that encircle the space, creating an open and welcoming ambiance. A strategically placed 42-inch TV and sound bar on the starboard aft side offer entertainment for guests.

A single step down and forward to starboard leads you to the galley, which is seamlessly integrated into the living area. It is complemented by an L-shaped dinette to port, creating a large and adaptable space for entertaining. The galley is outfitted with hardwood flooring and includes two new Vitrifrigo fridge/freezer units, a microwave/convection oven, and a two-burner stove, ensuring a fully equipped cooking environment. Additionally, there is abundant storage throughout the galley, and beneath it lies a vast storage area complete with a wine cooler, ideal for those who enjoy gourmet dining and hosting on the water.

Flybridge

The flybridge of this yacht seamlessly combines practicality and luxury, accessible via molded fiberglass steps on the port side. Central to the flybridge

is the aft helm, featuring two pedestal-mounted helm chairs that provide an excellent vantage point of the surroundings. A bench seat is conveniently placed at the aft, while a spacious U-shaped settee is situated forward to starboard, offering generous seating for guests. On the port side, there is a well-equipped wet bar with a refrigerator and sink, perfect for hosting gatherings.

The flybridge is enclosed with isinglass, providing protection from the weather, and is fully air-conditioned to ensure comfort regardless of the climate.

Navigation is made easy with the advanced Garmin 7612 chartplotters, delivering cutting-edge technology for smooth and accurate sailing. This flybridge is crafted to elevate your yachting experience, merging elegance with functionality.

Aft deck / platform

The aft deck of this yacht is crafted to offer both leisure and practicality, featuring a molded bench seat along with two folding chairs, ensuring plenty of seating for guests. A spacious deck hatch is conveniently positioned in the floor, providing straightforward access to the engine room for maintenance and inspections. The fixed swim platform is a highlight, facilitating easy access to the dock or for enjoying time in the water.

Molded steps on each side of the platform allow for smooth access to the side decks and lead up to the bow, where a large sun pad is perfect for sunbathing or simply taking in the view. The platform includes a generous storage locker, ideal for storing gear, along with several smaller cabinets on the aft deck, ensuring all your storage needs are met. This well-conceived space enhances the overall yachting experience, blending convenience with comfort.

Recent updates

This yacht has recently undergone a series of updates, ensuring it remains in prime condition and outfitted with cutting-edge technology. In 2024, the hull received a fresh coat of SeaHawk BioCop paint, offering superior protection and performance. The navigation system was upgraded with Garmin 7612 touchscreens, providing advanced control and user-friendly operation. In 2022, new starters were installed, along with a Cummins vessel view screen for comprehensive engine monitoring.

By 2024, new TECMA waste lines were fitted, and by 2025, the galley was enhanced with Vitrifrigo all-in-one fridge/freezer units. The interior was completely revamped with brand-new carpeting and upholstery, and a Cuisinart convection oven was added to the galley. Entertainment features were upgraded in 2023 with a 42-inch Samsung flat screen TV and a Sony Soundbar, while a wine cooler was added in 2022.

The yacht's lighting has been modernized with new blue LED exterior lights and upgraded LED interior lighting. Seams and windshields have been re-caulked for increased durability, and new oil lines have been installed on the engines. In 2024, all new batteries were fitted, including two for the bow thruster and two for the mains, ensuring dependable power. Additionally, a spare set of props is included, offering reassurance for any future requirements. These updates collectively enhance the yacht's performance, comfort, and visual appeal, making it an outstanding vessel.

Exclusions

Although this yacht boasts an array of features and amenities, there are certain exclusions to note. The artwork decorating the salon, master stateroom, and VIP stateroom is not part of the sale, giving the new owner the chance to customize these areas with their own artistic flair. Furthermore, the

tools and toolbox currently on board are not included, along with all kitchenware items. These exclusions offer the new owner the flexibility to outfit the yacht in line with their personal tastes and requirements.
