OVERVIEW

Prestige's most sought-after layout, presented in superb condition with only 116 hours, this Prestige 520 appears better than new and is offered turnkey. Equipped with Volvo DPS Dynamic Positioning and protected by a Volvo extended warranty through 2/27/2028, she promises composed cruising and the refined demeanor expected of a premium Flybridge Motor Yacht and Luxury Cruiser.

Beneath her graceful lines the Volvo IPS pod-drive system and joystick docking deliver responsiveness that makes tight maneuvers feel effortless—more agile than many boats half her length—while the intelligent three-cabin, two-head plan, augmented by an aft crew/kids cabin with its own head, confers on this 52-footer the presence and interior volume of a much larger motor yacht. As both a flybridge yacht and a distinguished family coastal cruiser she artfully balances performance, comfort, and style.

A full Garmin electronics suite forms the command center, featuring open-array radar, GXM54 satellite weather, dual 12-inch displays at the lower helm and on the flybridge, autopilot, a stainless radar mount, VHF, AIS 800, a GT5IM sounder, and an aft-facing camera—each element arranged for intuitive navigation and assured passage-making. Joystick stations, bow thruster assistance, and Ship Control connectivity add fingertip precision and modern convenience to every maneuver.

On deck, a hydraulic swim platform facilitates effortless water access and tender handling, complete with sliding chocks sized for a RIB. The flybridge hardtop broadens seasonal enjoyment, complemented by a retractable sun awning, fly covers, external window curtains, and Glacier exterior cushions. The North American package enhances practicality with a Glendinning cable management system, dockside water inlet, fresh and saltwater washdowns, a teak cockpit table, stainless bow protection, Lenco electric trim tabs, and a

stainless steel anchor kit. Entertaining is elevated by a Bowers & Wilkins flybridge audio package, a flybridge refrigerator and grill, an icemaker, underwater lights for evening ambiance, an LED deck searchlight, and a complete mooring kit.

Interior appointments speak to an Art de Vivre: inner-spring mattresses, luxury bedding, premium towels, curated dishware and cutlery, and an elegant high-low folding salon table. Rich Wenge wood joinery, Marlin Weiss salon upholstery, and brushed light oak hardwood soles establish a contemporary warmth, while the skipper cabin finished in Wenge enjoys dedicated air conditioning. A convertible helm bench adapts to need, and daily living is simplified by a combo washer/dryer, central vacuum, a safe, and Elegance cabin carpeting. This Prestige 520 is a refined Flybridge Motor Yacht and IPS joystick cruiser—graceful, capable, and unmistakably luxurious.
