OVERVIEW

The Pardo 50 transcends its status as the Italian yard's flagship to set the tone for the modern walkaround open-yacht genre. This particular hull, comprehensively specified, builds on a much lauded design celebrated for its many strengths and delivers brisk, economical performance thanks to twin Volvo Penta D8 IPS 800 engines, each producing 600 hp. Interiors are arranged to welcome four guests across two elegant en suite cabins, complemented by a separate captain's quarter to preserve privacy and convenience.

Ideal for long, sun filled days on crystal waters, she is equally composed when remaining close to home port or when venturing offshore. Generous alfresco lounging and dining areas form the heart of her character, allowing this luxury motor yacht—at once a refined dayboat and a poised express cruiser—to accommodate a variety of lifestyles with ease. Offered turn key and fully equipped, this Pardo 50 is ready to depart and rekindle your connection with the sea, distinguished by superb exterior living spaces and thoughtful accommodation for four guests plus a dedicated captain.
