OVERVIEW

Step aboard M/Y RIALTIN and enter a realm of refined yachting: a 2022 Beneteau Monte Carlo 52 that combines French elegance with spirited performance and remarkably low engine hours. Stretching just over 16 meters, this flybridge yacht reveals generous, beautifully proportioned living areas where interior and exterior flow together seamlessly. Never employed for charter and kept in immaculate condition, she represents a rare opportunity to acquire a lightly used vessel ready for immediate voyages.

Her lines are complemented by 20 square meters of panoramic glazing that flood the saloon with daylight, amplifying the sense of luxury and warmth throughout the accommodation. Comfortable for up to six guests across three thoughtfully appointed cabins, she features a full beam master suite with its own private entrance, ideal for extended coastal cruising or languid Mediterranean escapes. Propulsion comes from Volvo IPS 650 engines paired with joystick control for intuitive, effortless maneuvering, while convenience and comfort are assured by a generator and efficient air conditioning. Practical features include a hydraulic swim platform with gangway and an electric hardtop over the expansive flybridge, where a wet bar invites convivial hours al fresco.

Currently located in Alicante, Spain, the yacht is offered with VAT not paid, presenting a compelling purchase proposition for discerning buyers.

KEY FEATURES

1. 2022 model with exceptionally low engine hours
2. Spacious full beam master suite with private access
3. Hydraulic swim platform and gangway
4. Expansive flybridge with wet bar and electric hardtop
5. Volvo IPS 650 engines with joystick control for effortless maneuvering
