OVERVIEW

The Fairline Squadron is an impressive 55-foot luxury cruiser crafted by the renowned British yacht builder Fairline Yachts, making its grand entrance at Boot Dusseldorf in 2017. This stunning model, designed by Alberto Mancini, has garnered prestigious accolades such as Best Flyer at the Motor Boat Awards and the Asia Boating Awards, and it's easy to see why. This 53 features an inviting layout with the galley positioned up, three spacious cabins, and two well-appointed heads. Its sleek flybridge and expansive aft cockpit enhance its appeal. Since 2019, this yacht has been sheltered in a covered slip in brackish waters (70% fresh) on the upper Chesapeake Bay in Maryland. With meticulous maintenance and an open checkbook approach, the mains have been recently serviced, and a 1000-hour service has already been completed at just 965 hours. Sporting a dynamic design and powered by shaft drive Volvo 725 engines, she glides effortlessly at a cruising speed of 25 knots and reaches a thrilling top speed of 32 knots. This yacht is truly turn-key and poised for her next adventure, whether for local excursions or long-distance journeys, making her an excellent choice for those looking to buy a yacht. Explore the world of yacht sales in the current boat location and seize the opportunity to own this remarkable vessel.
