OVERVIEW

Crafted in 2020 and based in the United States, this 53 foot high performance outboard yacht marries the raw excitement of a sport machine with the refined presence of a luxury dayboat. Her generous 13 foot beam creates a remarkably stable platform—secure whether slicing through offshore swells or settling into a quiet anchorage—while a sleek, contemporary silhouette announces modern elegance at every angle.

Propulsion comes from four Yamaha outboards, a quad outboard arrangement that yields immediate throttle response, precise handling and proven reliability. She settles into an efficient 33 knot cruise and is capable of surging to a top speed of 52 knots for those times the horizon beckons. A large 1,000 gallon fuel capacity and 100 gallons of freshwater underpin ambitious runs and full day adventures, with gasoline engines tuned for both long legs and spirited short hops.

Built with an advanced composite fiberglass construction, the hull and structure combine rigidity and lightness, delivering a composed, quiet ride and long lasting finish. The design reads as much a center console and sport yacht as it does an express cruiser or luxury dayboat—versatile enough for weekend cruising, offshore performance fishing, or elegant harbor excursions.

On deck, the layout prioritizes conviviality and purposeful use of space. Expansive lounge areas form a welcoming social center while convertible cockpit arrangements flip easily between sun soaked lounging and refined alfresco dining. Thoughtful storage keeps tackle, gear and provisions neatly stowed, and wide side decks allow confident movement from bow to stern, even at speed. The helm is uncluttered and ergonomically laid out for an owner's preferred electronics suite, placing every control where instinct and comfort demand.

Below, the interior embraces a philosophy of understated luxury: bright,

well executed joinery and durable, easy care surfaces make the cabin equally suited to long days offshore or relaxed overnight passages. A private head is tastefully appointed for guest comfort, and the adaptable cabin space converts from a tranquil refuge to a convivial day lounge with simple, elegant transitions.

From early morning runs offshore to late day harbor cruises, this 2020 53 foot vessel is a polished expression of freedom and finesse—ideal for owners who prize performance without compromise and genuine comfort without pretense. Slip the lines, open the throttles, and let every nautical mile reaffirm why the voyage itself is the true reward.

DETAILED DESCRIPTION

Description

“Cowboy” is a 2020 HCB 53’ Suenos built to run far, fast, and fish hard, its quad Yamaha 425hp outboards delivering a top speed of 53 knots with the speed, range, and reliability serious offshore runs demand, while a Seakeeper 6 keeps the ride rock solid both at rest and underway. At the center-helm command station, Garmin electronics are fully integrated into the dash for crisp navigation, sonar, radar, weather, and communications, and the layout adds second-row seating plus an aft-facing Summer Kitchen with twin freshwater sinks, tackle storage, a cockpit Vitrifrigo drawer refrigerator, and a practical countertop, so you stay organized and ready when the bite turns on. The open aft cockpit is purpose-built for anglers, featuring center transom livewells, port and starboard in-deck fish boxes, dual dive doors, and a bait-prep station with rod holders to streamline every step from rigging to landing. Forward, an open layout invites relaxation with a generous two-person lounge and port and starboard bow seating; below deck, a climate-controlled cabin offers sleeping accommodations and a private head with shower—ideal for extended offshore adventures. Turnkey in every respect, “Cowboy” is ready to chase pelagics in comfort, performance, and unmistakable HCB style.

Recent services

Engines serviced in 7/2025, the generator serviced in 7/2025, and a comprehensive bottom job completed in 7/2025, with the Seakeeper serviced in 12/2025, so critical systems are fresh and ready for worry-free cruising and fishing.

Warranty

Yamaha Engine (YES) Warranty remains in effect until 9/2026, providing factory-backed confidence when you push offshore.

Highlights

Comfort meets capability with AC in the cabin and head, a well-appointed Summer Kitchen, and always-on connectivity via Starlink, while quad Yamaha 425hp outboards, a Westerbeke 7.6kw generator, and a Seakeeper 6 underpin true offshore range and stability; a bow thruster enhances close-quarters control, and ample rod holders and storage throughout keep the deck tidy and the crew focused.

Exterior

Purposeful and polished, the exterior is equipped with Starlink for seamless connectivity, a Garmin Open Array Radar for long-range clarity, and a KVH Tracvision TV1 for underway entertainment, while quad Yamaha 425hp outboards promise authoritative thrust; night runs are accented by LED underwater lights that underscore the Suenos's commanding presence.

Cockpit

The cockpit is a tournament-ready workdeck with port and starboard dive doors for effortless water access, dual transom livewells to keep baits lively, and transom seating with a removable backrest for flexible space; rod storage and holders run throughout, two in-deck fish boxes with chill plates stand ready for the day's catch, and an entertaining table, a mechanical hatch, freshwater washdown, and an engine freshwater flush system underscore the

boat's fish-to-clean efficiency, all finished with white handrails, bolsters, and protective covers for the seating.

Summer kitchen forward

Forward of the helm, the Summer Kitchen is rigged for action and hospitality alike, with a bait-prep station and twin freshwater sinks, a Vitrifrigo drawer refrigerator, and organized tackle storage; JL Audio speakers set the mood, port and starboard steps lead up to the hardtop, and a stern sunshade with a dedicated cover extends lounging comfort at anchor.

Helm

The center-helm command station is comprehensively outfitted: Starlink keeps you connected, a Garmin 22" center display pairs with two Garmin 17" side chart plotters, and a Garmin Open Array Radar, Garmin Autopilot, Garmin VHF 300 radio, and Garmin XM Weather deliver integrated navigation, control, and awareness; Yamaha Helm Master steering with joystick and Yamaha Set Point Auto Pilot combine with bow thrusters and hydraulic trim tabs for precise handling, while a Fusion stereo system, Sirius XM Stereo, and JL Audio speakers provide premium sound. A Ritchie Compass and ACR searchlight bolster safety, three stainless-steel cup holders serve the watch, and triple captain's chairs on swiveling pedestals with footrests plus second-row seating with cup holders ensure both skipper and crew travel in comfort; a fitted cover protects the helm at the dock.

Cabin

Below deck, the climate-controlled cabin offers cool and heat on demand, a Vitrifrigo drawer refrigerator for provisions, and a queen berth for restorative

overnights; a 24" TV entertains off-watch hours, and a dedicated rod storage locker keeps premium tackle secure and ready.

Head

Thoughtfully finished and private, the head features an enclosed rain shower, a proper marine toilet, a sink, and a mirror, creating a refreshing retreat on extended passages.

Bow

The bow invites family and crew forward with two JL Audio speakers setting the soundtrack, a generous two-person lounger with two cup holders and a cooler tucked beneath, and lounge seating with backrests to port and starboard; white handrails and bolsters add a crisp finish, a sunshade casts welcome relief, and fitted covers keep the seating pristine.

Av

Entertainment on board is elevated by a Fusion stereo system seamlessly paired with Sirius XM Stereo, while a 24" TV in the cabin offers easy downtime between runs.

Mechanical area

Engineered for autonomy, the technical heart of the boat features a Westerbeke 7.6kw generator, a Seakeeper 6 for uncompromising stability, and 50 AMP shore power with a power cord reel for effortless hookups, all protected by a Fireboy automatic suppression system.

Exclusions

The sale excludes the owner's personal items and outriggers, which do not convey with the vessel.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
