## OVERVIEW

---

The 2026 HCB 53' Sueños RXV reinterprets the mega center-console yacht with refined intent, marrying brute capability to polished elegance. Propelled by quad Mercury V12 600s and stabilized by a Seakeeper 6, she asserts effortless control in offshore bluewater conditions while offering the speed and range expected of a premium sportfishing platform. At the sumptuous helm, plush ergonomic seating centers the captain amid twin 24-inch Garmin multifunction displays that fuse radar and sonar into a single, commanding view for complete situational awareness. A bespoke hardtop, fitted with recessed lighting and an integrated shade system, shelters the helm without diminishing the boat's sleek profile, and a Westerbeke 7.6 kW generator with water-separated exhaust keeps systems running whisper-quiet. The generous cockpit balances hardcore angling capability with comfortable cruising, complemented by JL Audio premium sound that transforms open-water passages into an intimate concert. Tournament-grade appointments—chilled fish boxes, voluminous livewells, and an array of upgraded rod holders—are engineered for serious offshore fishing. From its timeless lines and silky ride to its sophisticated finishes, the 53 Sueños RXV defines its class as a center console, offshore cruiser, and sportfishing flagship that blends elegance and performance.

## Overview

---

Introducing the 2026 HCB 53' Sueños RXV, the legendary mega center-console yacht that defines its class with relentless offshore capability and elevated luxury. Powered by four Mercury V12 600 outboards and stabilized by Seakeeper 6, it delivers the rare synthesis of speed, range, and elegance that discerning anglers, adventurers, and families demand. An expansive cockpit flows to a refined helm where luxury seating wrapped in premium upholstery ensures long-range comfort, while a custom hardtop with recessed lighting and an integrated shade system creates a perfectly curated environment at sea. Command comes effortlessly through Garmin 24" multi-function displays with integrated radar and sonar, providing crystal-clear situational awareness at speed or on the troll. A Westerbeke 7.6 kW generator with a water-separated exhaust anchors quiet, reliable onboard power, while a JL Audio premium sound system elevates every passage with concert-quality acoustics. Purpose-built for serious offshore pursuits, the 53 Sueños RXV adds refrigerated fish boxes, large livewells, and a host of upgraded rod holders, seamlessly blending tournament-grade fishability with superyacht-level finish for a center-console experience without compromise.
