# DETAILED DESCRIPTION

---

## Manufactured provided description

---

The completely redesigned 53' Sueños is the pinnacle of comfort, luxury, athleticism, and refinement. With unforgettable exterior styling and the capability for over 2,500 horsepower, this 53' center console yacht delivers blistering performance on demand, yet remains agile and precise when holding station or easing into a slip. Choose Yamaha or Seven Marine power: either way, every turn of the wheel brings a grin, while the Sueños' clean, purposeful lines draw admiring looks from every dock. A completely retooled, ergonomically friendly helm puts every control within effortless reach—no detail overlooked—from expansive touchscreen navigation systems to suspension seat pedestals that soak up the chop for a smoother, more comfortable ride. Wherever you wish to roam, let the Sueños take you there. Beneath the console lies a surprisingly spacious, climate controlled cabin appointed with air-conditioning, refrigerator, microwave, a separate head with shower, and a queen size berth. Luxurious soft touch upholstery wraps every surface and can be tailored to complement the boat's aesthetic. As the largest, most desired center console ever built, the Sueños runs confidently at higher speeds in conditions other boats avoid. Custom fish boxes, coolers, and freezers are integrated components crafted by Frigid Rigid, while innovative tackle storage and a patented baitwell system give you a decisive angling edge. Personalize your Sueños with a choice of two new fishing packages.

If cruising is your forte and you prefer dry decks over wet lines, HCB offers a yacht tender package featuring a generous aft sofa that comfortably seats five and conceals a live well beneath. For those who savor timeless detail, an available teak package elevates the ambiance with teak coaming boards, a teak cockpit floor, a teak bow table, teak countertops, a teak steering wheel, and a

teak seat ladder back—ensuring your Sueños turns the heads of even the most ardent sportfish enthusiasts.
