OVERVIEW

Menorquin 54 Flybridge — 2021

Renowned for its quiet comfort, impressive range and dependable seakeeping, this graceful flybridge motor yacht marries semi-displacement, trawler-style seaworthiness with refined onboard living—ideal for ocean passages, Mediterranean cruising and an elegant liveaboard lifestyle. The accommodation is arranged as three generous private staterooms complemented by a forward crew cabin, delivering both guest privacy and practical crew quarters. Propulsion comes from a Volvo Penta 480 hp engine with low hours, and the vessel is equipped with an array of high-end upgrades: bow thruster, air conditioning in every cabin, full winter covers, an electric engine-room hatch lift, an enlarged custom hydraulic passerelle, a watermaker and a 10 kW generator. A true luxury cruiser offering the versatility and open-air enjoyment of a classic flybridge.

DETAILED DESCRIPTION

Overview

Presented in excellent, as-new condition, the Menorquin 54 Fly combines a semi-displacement hull with relaxed, confidence-inspiring performance, comfortably cruising from 8 to 22 knots and delivering reassuring stability in a variety of sea conditions. Thoughtfully arranged living spaces welcome six guests across three spacious cabins: a forward full-beam master suite with an en-suite bathroom, a generous double with a king-size bed, and a mid-ship twin with side-by-side berths, all complemented by a dedicated crew cabin for discreet service and convenience. Powered by two Volvo Penta engines and specified with a comprehensive suite of equipment—including a bow thruster, air conditioning in each cabin, complete winter covers, an electric engine-compartment opening, an enlarged and modified hydraulic gangway, a watermaker, and a ten kilowatt Mase generator—this yacht has been meticulously prepared for effortless cruising and extended stays aboard, offering both comfort and practical capability for owner-operators and charter guests alike.
