DETAILED DESCRIPTION

Bertram 510 (2004) Orqui - Tenerife, Spain

Spanish registration, VAT settled. ORQUI is a 2004 Bertram 510 located in Tenerife, presented in excellent condition and combining the purposeful build of a sportfishing convertible with the comfort of a flybridge motor yacht for offshore game fishing, bluewater passages and relaxed family cruising. Twin MAN-D2842LE404 engines produce a combined 2600 hp, with each unit rated at 1300 hp and showing approximately 1350 hours, delivering a top speed of 38 knots and the dry, confident ride Bertram is known for; length overall is 16.7 m with a 5 m beam, fuel capacity is 3940 liters and the fresh water tank holds 700 liters. A recently fitted flybridge enclosure significantly improves protection and onboard comfort, featuring fold-away side windows, zippered vinyl screens aft, windshield wipers with freshwater spray on the three forward windscreens and four overhead hatches to promote excellent ventilation, while anti-slip paint zones on the flybridge roof provide safe access for maintenance. The specification is comprehensive and practical for both fishing and cruising, with a spacious hydraulic swim platform that lowers more than half a meter below sea level and is prepared for a tender, a hydraulic foredeck davit for easy launching and recovery, extended stanchions for secure movement along the decks and a teak flybridge ladder with broader treads and a gentler incline for added safety and comfort. Maneuvering and systems are user-friendly thanks to a bow thruster, trim tabs and a Yacht Controller remote that can operate both engines, the anchor and the bow thruster from anywhere aboard, supported by automatic bilge pumps for reassurance. Comfort and entertainment are fully addressed with full-boat air conditioning and heating, an enlarged salon television, Bluetooth audio with Pioneer speakers on the flybridge, in the cockpit and inside via a Bluetooth player, a washer and dryer,

a watermaker for extended autonomy and a wet exhaust system that reduces visible smoke, while CCTV with four cameras is viewable from the helm and the inventory includes a spare anchor and underwater diving lights among many other considered extras; turnkey and well presented, this yacht is recommended for viewing.
