OVERVIEW

A rare opportunity to own one of Riviera's most coveted, now-discontinued lines, WATERDOG is an arresting 5400 Sport Yacht Platinum Edition that has been fastidiously maintained by her original owner since delivery.

Designed to match contemporary yachting rhythms, the 5400 reinterprets life at sea with a refined marriage of elegant aesthetics, advanced systems, and convivial living areas—resulting in a luxury motor yacht that pairs crisp exterior lines and sumptuous finishes with relaxed sophistication and spirited performance. This is an express cruiser born of true sport yacht heritage.

Before you step aboard the graceful profile, recessed hull glazing, and sculpted surfaces demand attention. Inside, the generous volume is immediately apparent: an open-plan flow leads from the expansive cockpit into a refined salon and on to tranquil sleeping quarters beneath a streamlined hardtop, creating a seamless environment ideal for entertaining, weekend retreats, or prolonged cruising.

Below decks, WATERDOG offers a three-stateroom, two-head layout centered around a sumptuous full-beam master suite with a private ensuite, where Riviera's meticulous joinery and the considered interplay of light, texture, and space evoke the upscale atmosphere expected of a high-performance cruiser.

Riviera factory warranty remains in effect through 1/22/2026, with Volvo warranty coverage active through 1/22/2029. Recent servicing includes fresh bottom paint, Seakeeper gyro service, and generator maintenance, leaving WATERDOG turnkey and ready for her next passage.

Driven by twin Volvo IPS 950s with only 330 hours, this pod-drive sport yacht provides precise handling, efficient cruising, and assured thrust—an exceptional vessel for those seeking style, refinement, and lively capability on the water.

DETAILED DESCRIPTION

Highlights and upgrades include:

Expertly specified for effortless handling and luxurious cruising, this yacht features Volvo Assisted Docking with Dynamic Positioning System (DPS) for fingertip control in tight quarters, complemented by additional cockpit joysticks to port and starboard. Comfort and poise underway and at anchor come courtesy of a Seakeeper stabilization system backed by an extended warranty, while the Tropical Air Conditioning Package maintains a cool, quiet onboard climate in any latitude. Advanced awareness is enhanced by Front Vu Sonar and a wind sensor, and evenings shimmer with underwater lights. Stay connected everywhere with Starlink satellite internet. A refined three-stateroom layout showcases high-gloss timber finishes, with electric blinds in the salon and the owner's stateroom for instant ambiance. Practical touches include side boarding doors for easy dockside access and a versatile Brig tender powered by a 20 HP Honda—and much more.
