OVERVIEW

Sistership images shown. Actual photos arriving soon.

Easy to preview near FLIBS at Harbour Towne.

Here is a rare opportunity to own one of Riviera's most sought-after, now out-of-production designs: WATERDOG, a beautifully maintained 5400 Sport Yacht Platinum Edition, cherished by her original owner since delivery.

Conceived for the modern yachting lifestyle, the 5400 Sport Yacht melds refined aesthetics, advanced systems, and effortless entertaining spaces. The result is a vessel that pairs taut, elegant lines and sumptuous finishes with relaxed sophistication and true bluewater capability.

Before boarding, her low, sculpted profile, recessed hull glazing, and graceful contours draw the eye; once aboard, the generous volume is immediately evident in an open, flowing plan that carries from the expansive cockpit through the elegant salon and down to the welcoming accommodation deck. Below, WATERDOG offers a three-stateroom, two-head configuration anchored by a full-beam owner's suite with private ensuite. Every detail reflects Riviera's craftsmanship, from the high-gloss timber joinery to the considered interplay of light, texture, and space.

Mechanically, WATERDOG is turnkey: recent upkeep includes fresh bottom paint, Seakeeper service, and generator maintenance. Propulsion is provided by twin Volvo IPS 950s with only 330 hours, delivering efficient pod-drive performance and precise, refined handling. Factory coverage remains in force with the Riviera warranty active through 1/22/2026 and Volvo warranty protection through 1/22/2029.

Notable systems and upgrades are seamlessly integrated into the yacht's design: Volvo Assisted Docking with Dynamic Positioning System (DPS), additional cockpit joysticks to port and starboard, Seakeeper gyro stabilization, Starlink satellite internet, Front Vu sonar, tropical air-conditioning package,

wind sensor, and underwater lights. The interior benefits from a three-cabin layout with high-gloss timber finishes and electric blinds in both the salon and owner's stateroom, among other enhancements.

An extraordinary synthesis of sport-yacht agility, express-cruiser comfort, and motor-yacht luxury, this refined coupe-style performer is prepared for her next passage.
