OVERVIEW

This 2021 Sichterman Libertas 54 is a refined, high performance luxury motor yacht where Dutch craftsmanship meets advanced naval engineering.

Conceived by Cor D. Rover and launched upon Van Oossanen's celebrated Fast Planing Hull, she combines striking lines with exceptional efficiency, balance, and composure through the speed range. Twin Volvo Penta IPS 950 drives, each rated at 725 hp for a combined 1,450 hp, propel this express cruiser to 38 knots at top end while she comfortably cruises at 32 knots; all maintenance is current and up to date.

Technologically sophisticated, the Libertas 54 is equipped with a Raymarine glass cockpit suite incorporating GPS, radar, and autopilot, all harmonized with Volvo Penta's digital engine monitoring for intuitive command and oversight. IPS joystick control makes close quarters maneuvering effortless, aided by an oversized bow thruster that affords precise positioning when docking — a perfect combination for a performance dayboat or a coastal cruiser.

The deck and interior volumes are designed for both conviviality and repose. The main deck provides generous lounging with matched pilot and co-pilot seats, an L-shaped dinette with table and an additional settee sheltered beneath a sleek Bimini that offers ample shade. Below, the lower deck offers a double bed, a fully equipped galley, and a head with a separate shower, complemented by an open lounge furnished with sofas, tables and a dedicated wine cellar for onboard entertaining.

Comfort and refinement extend to systems and amenities: a Sonos sound system delivers onboard audio, a hydraulic passerelle simplifies boarding, and a Seakeeper 9 gyrostabilizer markedly reduces roll for a quieter, more comfortable ride. Additional equipment includes an onboard air compressor, full air conditioning with tropical package, hydraulic hatches, windscreen

wipers, adjustable helm seats, indirect and underwater lighting, Pepwave internet connectivity, and a dedicated water toy garage — all configured to support island hopping, weekend escapes, or longer adventures in the open yacht/performance cruiser class.

Presented in excellent condition and available now in Delray Beach, this Libertas 54 is ready for viewings.
