OVERVIEW

A robust MAN V12 producing 1,360 hp with only 725 hours on the clock has been meticulously maintained, including the full MAN 1,000-hour service completed in 2024, while navigation is seamless via twin Garmin GPS displays and Garmin autopilot and the atmosphere is refined by a JL Audio sound system; fresh bottom paint (2025), new interior carpet (2024), and upgraded battery chargers (2024) complete this luxury motor yacht—equally suited as a flybridge yacht or express cruiser—and leave it truly turnkey and ready to cruise.

DETAILED DESCRIPTION

2008 Ocean Yachts 54 Super Sport

Commanding in presence and purposeful in design, the 2008 Ocean Yachts 54 Super Sport balances offshore agility with residential comfort. Measuring 54 feet length overall with a broad 16-foot beam, a confident 4.5-foot draft, and a solid 41,500 lbs displacement, she carries 800 gallons of fuel and 150 gallons of fresh water to extend every horizon on your itinerary. Inside, a sunlit salon frames panoramic seascapes through large windows and invites lingering with plush seating and a modern entertainment suite. The galley is fully appointed with a refrigerator, microwave, stove, and plentiful storage, making hosting effortless. Accommodations center on a luxurious master suite with a queen-sized berth and generous stowage, complemented by a guest stateroom with twin berths and its own en-suite head. Two well-finished heads, each with a dedicated shower, ensure comfort and privacy for everyone aboard. Above, the expansive flybridge brings guests together with welcoming seating, a wet bar, and a fully equipped helm for confident, easy control. A broad cockpit flows to a large swim platform, with built-in seating and seamless access to water sports, while the bow offers inviting sunbathing pads and forward seating for quiet escapes. Teak-clad cockpit and decks provide the perfect stage for entertaining or relaxing, complete with rod holders and abundant storage. Navigation and entertainment are thoroughly modern: twin Garmin 16-inch touchscreens anchor the helm, integrated with Garmin radar and Garmin autopilot; communications run through an Icom VHF; and a Fusion marine audio system with Bluetooth powers JL speakers throughout. Close quarters maneuvering is made effortless with the bow thruster.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
