DETAILED DESCRIPTION

Propulsion & Machinery

The 2019 CNM - CANTIERI NAVALI DEL MEDITERRANEO Continental 54 SPIN is powered by twin MAN I6 inline six cylinder four stroke Common Rail diesel main engines, each delivering 800 hp (588 kW), paired with ZF gearboxes and Arneson drive propulsions ASD 11 (2). Engine hours total 464. Propulsion is via Rolla six blade propellers crafted from Nibral (Nickel Bronze Aluminum) (2). Manoeuvring and stationkeeping benefit from a SIDE POWER bow thruster SE 100/185 T offering 110 KgF at 21V and 116 KgF at 24V, and a SIDE POWER stern thruster SE 120/215 TC delivering 120 KgF at 21V and 139 KgF at 24V. The vessel is equipped with Humphree tabs featuring electric actuators and Humphree active stabilization. Electrical generation is supplied by a Kohler 9EKOZD generator, with generator hours not reported. Climate control is provided by a Dometic Tropical AC system rated at 30,000 btu.

Sold by Shestakov Yacht Sales.

Accommodations

SPIN, a 2019 CNM - CANTIERI NAVALI DEL MEDITERRANEO Continental 54 with a length overall of 54 ft, offers two staterooms, three berths, one head, one crew berth and one crew head.

Construction

SPIN is a 2019 Continental 54 crafted by CNM - CANTIERI NAVALI DEL MEDITERRANEO, presenting an overall length of 54 ft. The hull was formed in a female mold using traditional skin coat lamination complemented by vacuum techniques, constructed as a vinyl ester resin, PVC cored sandwich. The deck

follows a similar process, produced in a female mold with traditional skin coat lamination and vacuum techniques, finished as a vinyl ester resin, PVC cored sandwich with bulwarks. The hard top is a bespoke unit featuring a carbon fiber or aluminum structure treated with an epoxy coating. Shestakov Yacht Sales.

Interiors

SPIN was constructed in 2019 by CNM - CANTIERI NAVALI DEL MEDITERRANEO as a Continental 54, 54 ft LOA. The interior showcases AA European Oak with a Decape finish as an upgrade to the interior veneer, complemented by Loro Piana fabrics throughout. In the master stateroom, guest stateroom, and passageway, carpeting features Westbury Light Grey AM5005-004 by Loro Piana Interiors. A custom suede paneling treatment and a bespoke drawer arrangement in the guest cabin accompany lightened dividing bulkheads crafted as sandwich panels. Upholstery panels and furnishings are drawn from the shipyard's samples and finished with a gloss, while parquet and carpet in the sleeping areas are selected from the shipyard's samples. Bathrooms are equipped with door handles featuring revolving plugs, porcelain WCs with electric control, a complete accessories kit, and IP65 spotlights in each shower box. Internal chrome-plated steel carpentry is finished in either matte or glossy tones. Window and privacy treatments include fabric packet curtains and plissé curtains in all cabins. Standard shipyard mattresses, bed covers, pillows, and pillow covers are provided. The vessel includes light switches for crew areas, a ventilation system with inlets to the galley, owner cabin, main guest cabin and corridor, and digital air conditioning control in all areas.

Deck Equipment

SPIN, a 2019 CNM - CANTIERI NAVALI DEL MEDITERRANEO Continental 54

measuring 54 ft LOA, is equipped with a 30 kg "Bruce" type stainless steel anchor featuring a glossy finish and a rotating joint, paired with hot-galvanized steel chain and an electric windlass with electric foot control and chain counter. The bow and deck present glossy-finished stainless steel docking cleats—four at the bow, two amidships for spring lines and two at the stern—along with a water tank inlet, two fuel tank inlets, a horn and windshield wipers configured for fresh-water washing. Deck services include two fresh-water outlets, one waste-water extractor plug, an EasyAccess shore-power socket, and two aft external showers with mixers offering both standup and handheld operation. Dedicated storage and handling features encompass a Seabob storage system, a stand-up jet-ski storage system, a custom platform protective fender, a custom carbon-fiber swim ladder with fastening points on both sides of the platform, and a standup shower on the platform. Sales representation: Shestakov Yacht Sales.

Navigation & Communication

SPIN is a 2019 CNM - CANTIERI NAVALI DEL MEDITERRANEO Continental 54, 54 ft LOA. Her bridge equipment comprises a VHF radio with DSC and an additional antenna, dual waterproof LCD marine displays for navigation, and navigation systems equipped with a radar antenna and a GPS antenna with cartographic monitoring. She is equipped with a Furuno DRS4D 4 kW radar rated to 36 nm, a Fish finder with echo sounder transducer, a magnetic compass, autopilot, and an AIS Class B transponder with redundancy noted as a second Class B AIS transponder. Communications and connectivity are supported by a Pepwave Wi Fi system. Meteorological and safety systems include an Airmar Furuno FA50 weather station and a Böning backup DPU; a Kahlenberg air horn is fitted for sound signaling. The vessel features a carbon fibre hard top with navigational awnings and a soft helm enclosure, with painted instruments finished in Awlcraft 2000 Super Jet Black LSA. Shestakov Yacht Sales.

Exteriors

Built in 2019 by CNM - CANTIERI NAVALI DEL MEDITERRANEO, SPIN is a Continental 54 measuring 54 ft. The exterior deck presents an 8 mm natural teak bridge floor with white seams and a GRP swimming platform adorned with teak covering and white seams. Forward, two synchronized electric bow tables with teak surfaces are fitted, and there are sun pads with synthetic leather cushions or fabrics, including an additional “skylights” sunpad with synthetic leather cushions. Seating comprises a sofa with synthetic leather cushions and a table/pouff with an internal icebox compartment. The exterior also features forward and aft canopies, storage, outdoor carpeting by Loro Piana Interiors, exterior light design, and an engine room emergency escape way.

Entertainment

The yacht SPIN, a 2019 Continental 54 built by CNM - CANTIERI NAVALI DEL MEDITERRANEO and measuring 54 ft LOA, features a Media Master entertainment system centered on a JL Audio MM100s-BE radio/bluetooth unit, controlled by three JL Audio MMR-20-BE remotes and a JL Audio MMR-10W controller. The bow audio installation encompasses four 880-CCX-CG-WH speakers, four M10IB5-CG-WH subwoofers and a single MHD900/5 amplifier. The stern is equipped with four M880-CCX-CG-WH speakers, one M10IB5-CG-WH subwoofer and one MHD900/5 amplifier. The helm houses two M880-CCX-CG-WH speakers driven by an MHD400/4 amplifier. Interior amplification is provided by a JL Audio M200/2 unit; onboard entertainment also includes a 32” LED/LCD TV, an Apple TV fourth generation and a Pepwave WifiSystem. Ownership and brokerage information, excluding Shestakov Yacht Sales, has been omitted.

Pilot Station

The pilot station aboard SPIN (2019, CNM - CANTIERI NAVALI DEL MEDITERRANEO, Continental 54, 54 ft) is fitted with Böning helm panels and a Humphree active stabilization system. The seating ensemble features sliding leather pilot seats and a central seat equipped with a vertical 12 V lift gear and a footboard for standing driving, with a dedicated pilot station footboard provided as well. Navigation and control gear include an autopilot, a rudder angle indicator, bow and stern thruster joysticks, a flaps joystick, an Arneson trim joystick, electronic levers for engine RPM control, and a magnetic compass. Shestakov Yacht Sales

Galley

The galley features a single lever mixer, a garbage disposal (subject to approval), a fridge (subject to approval), and a grill. The yacht SPIN is a 2019 Continental 54 built by CNM - CANTIERI NAVALI DEL MEDITERRANEO, with a length overall of 54 ft.

Safety Equipment

In accordance with CE regulations

Key Features

SPIN is a 2019 CNM - CANTIERI NAVALI DEL MEDITERRAS CEO Continental 54, 54 ft overall, with a shallow draft of 3’3” ideal for Miami and Bahamas waters. The yacht presents a striking metallic bronze hull and throughout features custom metallic bronze paint. Performance is powered by surface drives achieving a top speed of 45 knots. Exterior amenities include expansive lounge

areas with folding beach sides and an Opacmare “transformer” swim platform. A custom carbon fiber hardtop provides increased headroom. The layout features a convertible galley and hydraulic teak tables, while the interiors showcase Loro Piana fabrics and Indian rosewood. In March 2026 the wood tables were refinished, all cushion covers and helm seat covers were replaced, and the yacht received a full wax and polish.

Recent Services

SPIN is a 2019 CNM - CANTIERI NAVALI DEL MEDITERRANEO Continental 54 with an LOA of 54 ft. On 8/26 a 700-hour engine service was completed. On 9/26 the port and starboard exhaust systems were rebuilt. On 9/26 the two-step teak was sanded and sealed. Shestakov Yacht Sales.
