OVERVIEW

Header

Knot So Fast is a 2004 Hatteras 54 Convertible that artfully blends luxury and bluewater capability. Measuring 54 feet in overall length, she features a robust fiberglass hull with a tunnel design that delivers confident stability, nimble handling, and a shallower draft. Powered by twin CAT C18s, 1000 hp each, she offers spirited performance and reliability; with 1625 hours on the engines, they've been diligently serviced and are ready to roam.

Inside, three inviting cabins and two heads provide generous comfort and privacy. Interior upgrades—including new upholstery, carpeting, and a mattress—infuse a modern feel, complemented by fresh headliners throughout and air conditioning at the helm. Recently added Starlink keeps entertainment seamless offshore.

On deck and at the helm, significant upgrades elevate control and confidence: Dockmate, a full Garmin electronics suite with AIS and a new autopilot, Glendinning EEC3 controls, bow thruster, and a Zipwake system. Forward, the rebuilt hydraulic davit simplifies tender handling, while an updated windlass and ground tackle streamline anchoring.

More than a capable sportfisher, Knot So Fast is a refined platform for memorable days on the water where performance, comfort, and thoughtful modernization meet.
