OVERVIEW

The 2016 Riviera 5000 Sport Yacht is a finely outfitted 50-foot luxury motor yacht moored in Miami Beach, presenting an elegant balance of performance, comfort, and sophisticated styling. Driven by twin 600 hp Cummins turbo-diesel inboards and fitted with intuitive joystick docking, she delivers composed, sea-friendly handling and remarkably simple maneuvering in tight quarters. Laid out for both effortless entertaining and extended coastal cruises, the yacht offers three comfortable staterooms and two well-equipped heads, with four dedicated air-conditioning units ensuring each living space remains comfortable in any climate. A generous 15'7" beam creates an expansive salon and cockpit connection that encourages seamless indoor-outdoor living whether enjoying a day on the water or a weeklong escape.

Systems and electronics aboard are chosen to elevate comfort and confidence underway. A Seakeeper 9 gyro stabilizer dramatically reduces roll, while Skyhook digital positioning and Humphree active trim deliver precise station-keeping and optimized trim control. Electrical and navigation needs are supported by an ONAN 13.5 kW generator and twin 20-inch Garmin GPS multifunction displays complemented by Garmin radar and autopilot, with a Raymarine VHF providing reliable communications. Luxury amenities include a flat-screen television, an icemaker, and three refrigerator/freezer drawers serving the galley, which is equipped with a two-burner cooktop, microwave and an electric grill for alfresco dining, and a washer/dryer for added convenience on longer passages.

Built to travel and to entertain, this sports cruiser carries 700 gallons of fuel and 100 gallons of fresh water, making her equally suited to spirited day runs or more ambitious coastal adventures. A hydraulic swim platform simplifies handling of a tender and water access, while a robust windlass makes

anchoring straightforward when you find the perfect spot to stop. Immaculately presented and turnkey, this Riviera combines capability, refinement and tasteful appointments to offer a compelling option for the discerning owner — view her in Miami Beach and imagine your next voyage from the sparkling shoreline.

DETAILED DESCRIPTION

2016 Riviera 5000 Sport Yacht

Located in Miami Beach, this 2016 Riviera 5000 Sport Yacht is a sophisticated 50-foot sports cruiser that marries spirited performance with refined onboard living. Propelled by twin 600 hp Cummins turbo diesel inboard engines equipped with joystick control, she offers intuitive handling and a composed, confident ride. Laid out for both entertaining and extended stays, the accommodation plan includes three generous staterooms and two heads, and climate comfort is assured by four A/C units. At rest, the Seakeeper 9 stabilizer delivers exceptional calm, the Skyhook positioning system maintains precise station-keeping, and Humphree Active Trim fine-tunes running attitude for improved efficiency and balance. An ONAN 13.5 kW generator supplies ample electrical capacity for a comprehensive electronics suite highlighted by two Garmin 20-inch GPS displays, Garmin radar, an autopilot and a Raymarine VHF, while a flat screen TV adds to the onboard entertainment options. The galley and deck are appointed to simplify hosting, with an ice maker, three refrigerator and freezer drawers, a two-burner cooktop, microwave and an electric grill, plus washer and dryer facilities for genuine liveaboard convenience. A hydraulic swim platform expands the water-level leisure space and an electric windlass makes anchoring effortless. With a beam of 15'7", fuel capacity of 700 gallons and fresh water capacity of 100 gallons, this Riviera is configured for luxurious day cruising and confident longer passages.
