OVERVIEW

Sunseeker PREDATOR 55, 2021 build by Sunseeker, 55 ft LOA. A rare freshwater example at Lake of the Ozarks, this nearly 56-foot sport yacht blends high performance, cutting-edge technology, and a sleek, aggressive profile. Twin shaft-drive Volvo Penta D11 725 hp engines show only 450 freshwater hours, with 700 hours on the generator. A large cockpit retractable sunroof floods the space with air and light when opened. The hydraulic swim platform pairs with a spacious tender garage to carry your toys for days on the water. Situated off property; arrange ahead for showings.
