OVERVIEW

Introducing the Van der Valk Waterdream California 52 “EVA,” a singular limited-edition yacht where avant-garde styling, uncompromising luxury, and thrilling performance converge. Built in the Netherlands at one of the country’s foremost shipyards and christened by Prince Bernhard Van Oranje, this award-winning vessel—recipient of the Most Innovative Award—stands alone in Dubai, its British Racing Green hull a statement of refined exclusivity that commands attention in any harbor.

Her deck plan is generous and intelligently arranged, anchored by a carbon central W steering console that provides precise control and tactile elegance. A hydraulic platform hides a jetski with effortless grace, while a capacious stern garage is ready to stow a tender or an array of water toys. The forward deck is finished flush to preserve a sleek profile, and rocking stabilizers deliver a steadier, more comfortable passage.

Inside, the Waterdream’s seating philosophy prioritizes comfort with elevated backrests and deeper cushions that support the legs and invite long conversations or leisurely cruising. Convertible bow seating and sliding single beds beneath the cockpit add flexible sleeping and lounging options, and the expansive flybridge offers abundant seating and generous sunbathing space to enjoy open-air relaxation.

Built on a robust aluminum hull engineered for the demanding Dubai climate, the yacht offers enhanced durability and simpler maintenance compared with conventional GRP constructions. Propulsion comes from twin Volvo Penta IPS800 engines, providing exceptional maneuverability and the capability to reach exhilarating speeds up to 42 knots.

Onboard systems are thoroughly modern: advanced navigation suites and integrated audio/video installations are installed throughout, complemented by air conditioning, a generator, and a water maker for extended autonomy

and comfort. Gently used and presented in impeccable condition, EVA has been cared for by a professional captain and regularly serviced to meet all technical standards.

Whether destined to serve as an ideal day boat, a weekend escape, or a high-performance chase boat for a superyacht, this is a rare opportunity to acquire a vessel that marries innovation with style. Explore yacht sales in the current boat location and take the first step to buy a yacht that embodies both cutting-edge design and timeless elegance.

DETAILED DESCRIPTION

Van der Valk Waterdream California 52 "EVA"

Introducing the Van der Valk Waterdream California 52 "EVA," a limited edition yacht that epitomizes innovative design, unparalleled luxury, and exceptional performance; crafted at one of the premier shipyards in the Netherlands and christened by Prince Bernhard Van Oranje, this remarkable vessel has been awarded the Most Innovative Award and stands as the sole exemplar of its kind in Dubai, its sleek and stylish British Racing Green color exuding exclusivity and class to ensure it is a standout in any marina. The California 52 boasts a spacious layout that includes a carbon central W steering console, a hydraulic platform for a jetski and a stern garage designed to house a tender or other water toys, while the interiors are ergonomically engineered with extra high backrests and deeper seats to provide enhanced leg support and superior comfort. Constructed with a durable aluminum hull specifically tailored to withstand Dubai's climate, the yacht offers superior longevity and easier maintenance compared to plastic alternatives, and its design features a flush forward deck for a sleek profile complemented by rocking stabilizers for a smooth ride. Powered by twin Volvo Penta IPS800 engines, the vessel ensures exceptional maneuverability and delivers a top speed of 42 knots, while convertible bow seating, sliding single beds under the cockpit and a large flybridge with ample seating and sunbathing areas further enhance onboard versatility and leisure. Fully equipped with advanced navigation systems and integrated audio/video systems throughout, the yacht also includes air conditioning, a generator and a water maker, and has been lightly used and is currently in perfect condition, professionally maintained by a captain and regularly serviced according to technical regulations. Whether you seek the perfect day boat, a weekender or a chase boat for your luxury superyacht, the

Van der Valk Waterdream California 52 "EVA" presents an unparalleled opportunity to own one of the most innovative and stylish yachts in the world; for more information, please contact us.
