## 550 Galeon Fly

---

New to market at a compelling value, this 2020 Galeon 550 Fly arrives fully equipped, lightly run, and ready for immediate enjoyment. It artfully blends contemporary design, confident performance, and quiet luxury—an ideal choice for cruising, entertaining, and effortless weekend escapes. As a luxury motor yacht, flybridge yacht, sport cruiser, family cruiser, and charter ready vessel, it delivers the balance of style, comfort, and smart technology that owners love.

Aft, the open galley flows naturally to the cockpit for easy hosting, while the salon's panoramic windows, plush seating, and refined finishes create a bright, relaxing atmosphere. Below, three cabins and two heads provide generous accommodations: a full beam master suite with en suite head, a forward VIP, and a welcoming guest cabin. Above, the expansive flybridge invites long afternoons with an oversized C shaped lounge, dining table, wet bar with grill, and sweeping views; the main deck cockpit integrates seamlessly with the galley to keep everyone connected.

At the waterline, a hydraulic swim platform simplifies tender launch, watersports, and sea level lounging, and a forward sun lounge at the bow is perfect for unwinding underway or at anchor. The Raymarine electronics suite brings advanced navigation and clear situational awareness, while the Seakeeper stabilizer minimizes roll for steady, comfortable passages. An optional hardtop with sunroof adds shade and fresh airflow at the touch of a button, and Yacht Controller makes docking intuitive from anywhere on board. Efficient Volvo D11 diesel engines with only five hundred fifty hours deliver dependable power, and both bow and stern thrusters ensure precise maneuvering in tight marinas.

Capable of relaxed long range cruising and memorable gatherings afloat, this Galeon 550 Fly presents an exceptional opportunity at a fraction of replacement cost. Arrange a private viewing and step aboard to begin your next chapter on the water.
