## OVERVIEW

---

A striking luxury motor yacht and performance sport cruiser, this express craft marries poised elegance with muscular capability, its Midnight Gray hull trimmed by a jet-black bootstripe and layered black detailing across the coachroof, side glazing line, aft cockpit coamings, and inner cockpit face to form a resolute, sophisticated silhouette. Foredeck amenities include bow seating with folding backrests complemented by an Exit carbon fiber four post sun sail, while an electric stern sun canopy converts the cockpit into a shaded lounge at the touch of a button. At the helm an electrically opening window invites a cooling breeze, and Superhawk style helm seats with folding bolsters, upholstered in Slate Grey Stolz leather, provide ergonomic support for spirited passages.

Docking and handling are refined by Volvo Penta's Assisted Docking system with the updated Dynamic Positioning System antenna, paired with the Volvo Penta Interceptor System with Auto Trim to secure the ideal running attitude. Propulsion comes from twin Volvo Penta IPS950 diesels (2 x 725 PS), offering confident thrust and agile response, while a Seakeeper 6 gyro stabilizer calms the yacht both at anchor and underway for exceptional comfort. Garmin's Surround View array weaves imagery from six cameras into a bird's eye perspective with distance guides to simplify close quarters maneuvers, and situational awareness is bolstered by a Class B AIS with GPS and a 2.4 meter VHF antenna.

Practicality and thoughtful equipment are woven into every deck detail: a galvanized 32 kg anchor with 90 meters of 9.5 mm Lewmar chain ensures reliable holding, while a 115V 60Hz Vitrifrigo icemaker, a drawer style dishwasher, and a waterproof 110V double socket in the cockpit add modern convenience. After sunset four dual color underwater lights, selectable in white or blue, lend a seductive harbor glow. The yacht is specified with the USA

Platinum Package, underscoring a refined fit-out tailored to premium cruising. Inside, the ambiance is contemporary and refined, with Band One satin finished wood offered in Nordic Oak, Sand Oak, or Balanced Walnut, complemented by interior fabric upgrades and Roman blind enhancements across all three cabins. Down filled scatter cushions enrich tactile comfort, and a concealed 8.3 liter safe in the aft cabin secures valuables. Both aft and forward en suite shower rooms and their forward bulkheads are finished in elegant Minerva surfaces rather than laminate, evoking a boutique hotel feel. Heirlooms bespoke bed linens—including quilted mattress protectors, fitted and flat sheets, and both Oxford and Housewife pillowcases for every berth, with both pillow configurations in the forward cabin—ensure restorative nights. Entertainment is effortless with an upgraded Fusion audio visual system and amplified Bluetooth speakers throughout the cabins and deck saloon; a wine cooler resides in the aft cabin lobby. The lower deck can be configured to include a third cabin and a dedicated laundry room fitted with a Splendide washer/dryer, with wood flooring in the lower lobby in this three cabin option. Exterior comfort is elevated by Spradling Hitch premium upholstery.

Designed for extended cruising as well as lively dayboating, the yacht carries larger fuel tanks totaling 2,300 liters, an additional 430 liter fresh water tank, and an upgraded 430 liter black water tank with shore suction or direct overboard discharge via pump where permitted. This premium dayboat and luxury performance yacht is engineered for effortless weekends, confident passages, and refined living at sea.
