OVERVIEW

This pre-owned 2022 Galeon 550 FLY luxury flybridge motor yacht marries lavish appointments with spirited performance and hotel-like comfort, creating an elegant platform for both cruising and socializing. Driven by twin Volvo Penta D11-725s and stabilized by a Seakeeper 9, she is fitted with bow and stern thrusters operated via joystick, a hydraulic bathing platform, a protective flybridge hardtop and an integrated suite of Raymarine electronics, all combining to make handling intuitive and onboard life effortlessly refined.

DETAILED DESCRIPTION

2022 Galeon 550 fly

This pre-owned 2022 Galeon 550 FLY artfully fuses distinctive European styling with sumptuous accommodations and assured performance, driven by twin Volvo Penta D11-725 diesel engines that deliver comfortable cruising, composed handling, and unforgettable days afloat. A Seakeeper 9 gyroscopic stabilizer significantly improves comfort both underway and at anchor, while bow and stern thrusters paired with joystick control make tight maneuvers and close-quarters handling intuitive and confidence-inspiring for the helm.

The interior exudes refinement with high-gloss Eucalyptus Nero cabinetry, striped walnut flooring, Enea Bianco upholstery, and aluminum shutters complemented by Roman blinds, creating a warm yet contemporary atmosphere. The salon is a gracious entertaining space with panoramic sightlines, a premium Bose salon sound system, and an electrically sliding 49-inch television, with the convenience of an additional salon freezer located adjacent to the galley. Down below, exquisitely finished staterooms and upgraded head appointments offer a welcoming retreat, enhanced by televisions in both the master and bow staterooms and the practicality of an onboard washer and dryer, while a skipper's aft cabin with an electric toilet provides flexible, comfortable crew accommodations.

Deck spaces broaden the yacht's appeal for alfresco living, with an expansive flybridge sheltered by a laminated hardtop with solid roof and appointed with an electric grill, icemaker, JL Audio speakers, and an integrated array of Raymarine electronics including a Raymarine Axiom XL 16 and multiple Axiom 12 displays, all tied to autopilot and a Ray91 VHF with AIS. Situational awareness and safety are elevated by an upgraded 48-inch Magnum open-array radar, a rearview camera, and dual engine-room cameras. The aft

cockpit welcomes guests with a foldable table and a side boarding gate, while a hydraulic movable swim platform with chocks affords effortless water access and secure stowage for a tender or personal watercraft. Thoughtful cruising extras such as underwater LED lighting, a Cablemaster shore-power system, exterior seating, helm and window covers, and the cockpit side boarding gate complete a highly specified package, making this Galeon 550 FLY a standout choice among luxury flybridge yachts.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
