OVERVIEW

A signature highlight of AT EASE is the expansive flybridge set high above, delivering sweeping, panoramic sea views. This open-air retreat on a luxury motor yacht features plush seating, a sleek wet bar, and customizable amenities—an effortless haven for sunset cocktails or daytime lounging aboard a flybridge motor yacht.

Inside, the yacht reveals a refined, contemporary ambience where premium materials meet smart design. From the airy salon to the beautifully appointed staterooms, this cruising yacht is crafted for comfort and ease, with every detail considered—perfect for relaxed private voyages or discerning charter yacht experiences.

DETAILED DESCRIPTION

Introduction

AT EASE represents the epitome of luxury and performance in the world of yachting, uniting a sleek silhouette, a remarkably spacious layout, and cutting-edge technology to deliver an experience on the water that feels both effortless and extraordinary. Designed for relaxation, entertainment, and exploration in equal measure, this Galeon Flybridge Motoryacht moves with poise whether cruising a sunlit coastline or settling into a secluded cove, pairing refined comfort with unmistakable style. A signature feature is the expansive Flybridge, perched above for sweeping panoramic views, appointed with generous seating, a wet bar, and optional amenities that turn sunset cocktails or leisurely daytime lounging into a ritual of pure delight. Inside, a contemporary interior blends modern design with premium materials, from the welcoming Salon to the thoughtfully appointed cabins, each detail crafted to maximize comfort and convenience for every guest. Whether hosting a lively dinner party or unwinding with family and friends, the Galeon Flybridge Motoryacht sets the stage for unforgettable memories, while its confident performance and luxurious amenities promise a cruising experience tailored to the most discerning enthusiast.

Recent updates and improvements

Peace of mind begins with maintenance, and AT EASE delivers: major services were just completed on the engines, transmissions, and generator, and all systems are fully up to date. With only 420 Volvo engine hours, the machinery remains impressively fresh. Thoughtful refinements elevate everyday ease, including teak decking on the entry steps, both bow and stern thrusters with intuitive joysticks, and two underwater LED lights that lend a luminous

elegance at anchor. Practical additions such as a Cablemaster system, an entrance door curtain, protective covers for the front and side windows, and handsome hardwood cabinetry underscore a commitment to durability, comfort, and polish throughout.

Aft deck

The aft deck invites seamless indoor-outdoor living, divided from the salon by completely retractable glass doors that disappear to open the space to sea breezes. A dedicated wet bar keeps refreshments close at hand, while a foldable fiberglass table adapts from casual lounging to alfresco dining. Underfoot, rich teak decking sets a warm, yachting classic tone and provides secure footing in all conditions.

Salon

The salon centers on twin sofas that frame a welcoming social hub, complemented by an electric, retractable 49" LED TV and a rich Bose sound system for immersive entertainment. A freezer adds hosting convenience, while a U shaped Hi Lo dining table comfortably accommodates eight for memorable meals. Roman blinds temper the light with elegance, abundant storage keeps the space beautifully tidy, and wood flooring provides a warm, contemporary canvas for life aboard.

Galley

Purpose-built for gourmet cruising, the galley features a dual burner stovetop and a Samsung convection/microwave oven to broaden your culinary repertoire. A double wash sink streamlines prep and cleanup, while a large over/under refrigerator/freezer keeps provisions organized for longer voyages.

Marble countertops with overhead lighting elevate the ambiance and visibility, and solid wood drawers and cabinets offer enduring, beautifully crafted storage.

Master stateroom

The full beam master stateroom indulges with a queen bed and dedicated lounge area, creating a serene private retreat. Thoughtful amenities include reading lights, a solid wood dresser, and a Sony LED TV for relaxed evenings. A makeup vanity with a seating area and a large hanging closet add daily ease. The en suite master head features a sink with a mirrored cabinet above, smart storage above and below, and a shower adorned with mosaic tile. A washer/dryer conveniently located in the corridor underscores live aboard practicality.

VIP stateroom

Guests are welcomed with a refined VIP stateroom offering a queen bed, reading lights, a solid wood dresser, and a hanging closet for extended stays. Entertainment comes courtesy of a Sony LED TV, while the en suite head with mosaic tiled shower delivers privacy and polish.

Guest stateroom

The versatile guest stateroom features twin sliding beds that adapt to your needs, complemented by reading lights and a large closet with additional storage. An en suite head with a sink and storage below, along with a mosaic tiled shower, ensures guests enjoy the same level of comfort found throughout the yacht.

Crew quarters

Thoughtfully designed crew quarters include a comfortable bed with storage beneath the berth to maximize space. Located aft, the dedicated crew cabin features its own head and shower for independence and discretion, along with an electric toilet for reliable convenience.

Flybridge

Command the seascape from an expansive Flybridge, where U shaped seating and a dining table for eight create a convivial atmosphere under open skies. Entertaining is effortless with a sink, icemaker, refrigerator, and an electric grill, all supported by a premier sound system. At the helm, advanced navigation includes a Raymarine Axiom 12" chart plotter, Raymarine VHF Ray 91 AIS, Raymarine autopilot, a Raymarine 48 mile radar, and a Raymarine depth finder. A large sunpad on the bow invites unhurried lounging, a wide stairwell provides easy access down to the aft deck, and protective covers safeguard the console and seats when not in use.

Helm

The helm places technology and comfort at your fingertips, with a supportive helm chair and a full Raymarine suite: an Axiom 12" chart plotter at the lower helm, VHF Ray 91 AIS, autopilot, a 48 mile radar, and a depth finder. Confident command and clear situational awareness come standard.

Swim platform

A hydraulic marine platform with chocks transforms the water's edge into your private beach club, simplifying tender handling and water access, while teak

decking adds secure footing and timeless elegance.

Engine room

Beneath the deck, engineering excellence drives every mile: twin Volvo Penta D11 engines rated at 725 HP each show just 420 hours and were recently serviced, pairing power with reassuring reliability. A stern view camera system enhances safety, while a recently serviced Onan generator supplies dependable ship's power. Fuel is polished through a Racor filtering system, and LED lighting brightens inspections. Electrical management is robust, with a Skylla battery charging system, port and starboard battery selector switches, and an emergency parallel selector switch for contingencies.

Exclusions

"AT EASE" is a registered name and does not convey. Exclusions include, but are not limited to, all owner's personal items. A detailed list of exclusions will be provided at the time of sale upon written request.

Broker's remarks

AT EASE was conceived to blend high style, comfort, and ingenious space planning in the fifty to sixty foot class, delivering many of the amenities typically reserved for larger yachts within a footprint that remains eminently manageable. The 2018 iteration is especially well regarded for its generous interior volume, bright and airy ambiance, and assured performance—an inspired balance for owners who want it all without compromise.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
